No recourse shall be had for the payment of the principal or redemption price of, or interest on, this 2000 Series A Bond, or for any claim based hereon or on the Indenture, against any elected official, member, officer, commissioner or employee, past, present or future, of Issuer or of any successor body, as such, either directly or through Issuer or any such successor body, under any

This 2000 Series A Bond is one of an authorized issue of 2000 Series A Bonds of Issuer designated Louisville/Jefferson County Metro Government, Kentucky, Pollution Control Revenue Bonds, 2000 Series A (Louisville Gas and Electric Company Project), and issued in the original aggregate principal amount of \$25,000,000 (the "2000 Series A Bonds") for the purpose of paying and discharging the outstanding principal amount of an issue of County of Jefferson, Kentucky, Pollution Control Revenue Bonds, 1990 Series A (Louisville Gas and Electric Company Project), dated February 1, 1990 (together with the refunded 1985 Series A Bonds hereinafter described, the "Refunded 1990 Series A Bonds"), which Refunded 1990 Series A Bonds were issued to currently refund an equal principal amount of the Issuer's Pollution Control Revenue Bonds, 1985 Series A, dated July 1, 1985, which provided funding for the construction and acquisition of certain facilities for the control, containment, reduction and abatement of air pollution to serve the Generating Units 1, 2, 3 and 4 of the Mill Creek Generating Station and Generating Units 4, 5 and 6 of the Cane Run Generating Station of Louisville Gas and Electric Company, a Kentucky corporation ("Company"), located within the corporate boundaries of Issuer, which facilities are hereinafter sometimes referred to as the "Project." The Project has been and will be operated to abate and control air pollution. The proceeds of the 2000 Series A Bonds will be loaned to Company under the terms of a Loan Agreement dated as of May 1, 2000, amended and restated as of September 1, 2008 (which Loan Agreement, as from time to time amended and supplemented, is hereinafter referred to as the "Agreement", and the loan to be made pursuant to the Agreement is hereinafter referred to as the "Loan").

The 2000 Series A Bonds are issued under and are equally and ratably secured and entitled to the protection given by an Indenture of Trust dated as of May 1, 2000, amended and restated as of September 1, 2008 (which Indenture of Trust, as from time to time amended and supplemented, is hereinafter referred to as the "Indenture"), duly executed and delivered by Issuer to The Bank of New York, New York, New York, as Trustee. Pursuant to the Indenture, the Trustee has been appointed as Authenticating Agent, Bond Registrar, Paying Agent and Tender Agent. Until the date of payment and discharge of the Refunded 1990 Series A Bonds in accordance with the indenture under which such bonds were issued, the 2000 Series A Bonds will be further secured by the proceeds of the 2000 Series A Bonds. Reference is made to the Indenture for a description of the property assigned, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of Issuer, Trustee and the Registered Owners of the 2000 Series A Bonds, the terms upon which the 2000 Series A Bonds are issued and the terms and conditions upon which the 2000 Series A Bonds will be deemed to be paid, at or prior to maturity

or redemption of the 2000 Series A Bonds, upon the making of provision for the payment thereof in the manner set forth in the Indenture. Capitalized terms used herein shall have the meanings set forth in the Indenture.

This 2000 Series A Bond shall bear interest at the interest rate or rates determined for the “Interest Rate Mode” (as described more fully in the Indenture) selected from time to time by Company. The Interest Rate Mode for the 2000 Series A Bonds from and including the date of their original issuance is the Dutch Auction Rate until Conversion to a different Interest Rate Mode is specified by Company. Company may from time to time convert the Interest Rate Mode for the 2000 Series A Bonds to any other permitted Interest Rate Mode in accordance with the terms of the Indenture. The “Interest Rate Modes” which may be selected are as follows: (i) a Daily Rate in which the interest rate is determined each Business Day; (ii) a Weekly Rate in which the interest rate is determined on the day preceding each Weekly Rate Period or, if such day is not a Business Day, on the next succeeding Business Day; (iii) a Semi-Annual Rate in which the interest rate is determined not later than the Business Day preceding each Semi-Annual Rate Period; (iv) an Annual Rate in which the interest rate is determined not later than the Business Day preceding each Annual Rate Period; (v) a Long Term Rate for a period selected by Company of more than one year ending on the day preceding an Interest Payment Date, in which the interest rate is determined not later than the Business Day preceding such Long Term Rate Period; (vi) a Flexible Rate for Flexible Rate Periods of not more than 270 days ending on a day preceding a Business Day selected by the Remarketing Agent in which the interest rate is determined on the first day of such Flexible Rate Period and (vii) a Dutch Auction Rate in which the interest rate for a Dutch Auction Rate Period is determined pursuant to the Dutch Auction Procedures set forth in the Indenture.

Interest on this 2000 Series A Bond at the interest rate or rates for the Daily Rate and the Weekly Rate is payable on the first Business Day of each month; for the Semi-Annual Rate, the Annual Rate the Long Term Rate on May 1 and November 1; for the Long Term Rate on the Conversion Date to another Interest Rate Mode or on the effective date of a change in the Long Term Rate Period; for the Flexible Rate on the day following the end of each Flexible Rate Period; for the Dutch Auction Rate, (i) for an Auction Period of 91 days or less, the Business Day immediately succeeding the last day of such Auction Period and (ii) for an Auction Period of more than 91 days, each 13th Tuesday after the first day of such Auction Period and the Business Day immediately succeeding the last day of such Auction Period (in each case it being understood that in those instances where the immediately preceding Auction Date falls on a day that is not a Business Day, the Interest Payment Date with respect to the succeeding Auction Period shall be one Business Day immediately succeeding the next Auction Date); and, for each Interest Rate Mode, on the Conversion Date to another Interest Rate Mode or on the effective date of a change in the Long Term Rate Period. In any case, the final Interest Payment Date shall be the maturity date of the 2000 Series A Bonds. Interest on this 2000 Series A Bond shall be computed on the basis of a year of 365 or 366 days, as appropriate, based on the year in which the period commences for the actual number of days elapsed, unless the Interest Rate Mode is the Semi-Annual Rate, the Annual Rate or the Long Term Rate, in which case interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months or unless the Interest Rate Mode is the Dutch Auction Rate, in which case interest shall be computed on the basis of a 360-day year for the number of days actually elapsed. The interest rate or rates for each Interest Rate Mode (and, if the Interest Rate Mode is the

Flexible Rate, the Flexible Rate Periods) for the 2000 Series A Bonds shall be determined by the Remarketing Agent on the dates and at such times as specified in Section 2.02 of the Indenture. If the Remarketing Agent fails to determine the interest rate in accordance with Section 2.02 of the Indenture, the interest rate on this 2000 Series A Bond shall be the interest rate in effect for the previous Rate Period, except as otherwise provided in the Indenture. Except for the Dutch Auction Rate, each interest rate determined by the Remarketing Agent shall be the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds (or, in the case of the Flexible Rate, the particular 2000 Series A Bond) at a price equal to the principal amount thereof, plus accrued interest, if any. Notwithstanding the foregoing, the interest rate borne by this 2000 Series A Bond shall not exceed the lesser of (i) the maximum interest rate permitted by applicable law or (ii) 10% per annum.

Redemption; General. The 2000 Series A Bonds are non-callable for redemption except as set forth below and except in the event and to the extent that (1) Company is required to prepay the Loan in whole or in part pursuant to Section 10.3(a) of the Agreement or (2) Company is required to prepay the Loan in whole pursuant to Section 10.3(b) of the Agreement or (3) Company shall exercise any of its options to prepay the Loan in whole as provided in Section 10.1 of the Agreement or (4) Company elects to redeem 2000 Series A Bonds in whole or in part pursuant to Section 6.1 of the Agreement. If, at the time of Company's notice of a change in the Long Term Rate Period, or its notice of Conversion of the Interest Rate Mode for the 2000 Series A Bonds to the Long Term Rate, or, when the Interest Rate Mode for the 2000 Series A Bonds is the Long Term Rate, at least forty days prior to the Purchase Date, Company provides a certification of the Remarketing Agent to Trustee, the Bond Registrar, the Paying Agent, the Tender Agent and Issuer that the foregoing schedule is not consistent with Prevailing Market Conditions and an opinion of Bond Counsel that a change in the redemption provisions for the 2000 Series A Bonds will not adversely affect the exclusion from gross income of interest on the 2000 Series A Bonds for federal income tax purposes, the foregoing redemption periods and redemption prices may be revised, effective as of the date of such change in the Long Term Rate Period, the Conversion Date or that Purchase Date, as determined by the Remarketing Agent in its judgment, taking into account the then Prevailing Market Conditions, as stipulated in such certification.

Redemption Procedures and Notices. Except in the case of mandatory redemption of the 2000 Series A Bonds pursuant to Section 10.3(b) of the Agreement as set forth in the next succeeding paragraph hereof, at least thirty days, and not in excess of sixty days (in the case of 2000 Series A Bonds bearing interest at the Dutch Auction Rate, at least 30 days and not in excess of 60

days) before the redemption date of any 2000 Series A Bonds in the case of 2000 Series A Bonds bearing interest at the Semi-Annual Rate, the Annual Rate or the Long Term Rate, and at least fifteen days and not in excess of sixty days before the redemption date of any 2000 Series A Bonds in the case of 2000 Series A Bonds bearing interest at the Daily Rate, Weekly Rate or Flexible Rate, Trustee shall cause notice of redemption to be sent by first class mail, postage prepaid, to all Registered Owners of 2000 Series A Bonds to be redeemed in whole or in part at their registered addresses as shown on the Bond Register maintained by the Bond Registrar.

Any notice mailed as provided in the Indenture shall be conclusively presumed to have been duly given, irrespective of whether the Registered Owner receives the notice. Failure to mail any notice or any defect therein in respect of any 2000 Series A Bond shall not affect the validity of the redemption of any other 2000 Series A Bond. All 2000 Series A Bonds called for redemption as herein provided will cease to bear interest after the date fixed for redemption provided funds for their redemption are on deposit at the place of payment at that time.

So long as DTC or its nominee is the sole registered owner of the 2000 Series A Bonds under the Book-Entry System, any failure on the part of DTC or a DTC Participant to notify the Beneficial Owner so affected shall not affect the validity of any redemption of 2000 Series A Bonds.

(a) This Indenture is adopted pursuant to the Act. In consideration of the purchase and acceptance of the 2000 Series A Bonds by those who shall purchase and hold the same from time to time, the provisions of this Indenture shall be a part of the contract of Issuer with the holders of the 2000 Series A Bonds, and shall be deemed to be and shall constitute a contract between Issuer, Trustee and the holders from time to time of the 2000 Series A Bonds, and such provisions are covenants and agreements with such holders which Issuer hereby determines to be necessary and desirable for the security and payment thereof. The provisions, covenants and agreements herein set forth to be performed on behalf of Issuer shall be for the equal and ratable benefit, protection and security of the holders of any and all of the 2000 Series A Bonds, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the 2000 Series A Bonds over any other thereof. (b) The 2000 Series A Bonds shall be issued in order to refund, pay and discharge the Refunded 1990 Series A Bonds on or prior to the 90th day after the date of issuance of the 2000

Series A Bonds. The 2000 Series A Bonds shall be designated “Louisville/Jefferson County Metro Government, Kentucky, Pollution Control Revenue Bonds, 2000 Series A (Louisville Gas and Electric Company Project),” and are hereby authorized to be issued in the aggregate principal amount of \$25,000,000, only as fully registered bonds without coupons in Authorized Denominations. Unless Issuer shall otherwise direct, 2000 Series A Bonds shall be lettered “R” and shall be numbered separately from 1 upward in such manner as Trustee shall determine.

(c) The 2000 Series A Bonds shall be issued in the Book-Entry System, as provided in clause (d) of this Section 2.01.

(d)(1) So long as any of the 2000 Series A Bonds are held in the Book-Entry System, the Registered Owner of such 2000 Series A Bonds shall be DTC, and such 2000 Series A Bonds shall be registered in the name of CEDE & Co., as nominee for DTC. Upon initial issuance, the ownership of such 2000 Series A Bonds shall be registered in the registry books of the Issuer maintained by the Trustee in the name of CEDE & Co., as nominee for DTC. So long as such 2000 Series A Bonds are held in the Book-Entry System, the Trustee and the Company shall treat DTC (or its nominee) as the sole and exclusive Registered Owner of such 2000 Series A Bonds registered in its name for the purposes of: (i) payment of the principal or redemption price of or interest on such 2000 Series A Bonds, (ii) selecting such 2000 Series A Bonds or portions thereof to be redeemed, (iii) giving any notice permitted or required to be given to Bondholders, (iv) registering the transfer of such 2000 Series A Bonds, and (v) obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and the Trustee and the Company shall not be affected by any notice to the contrary. Transfer or crediting of the applicable principal, interest or redemption premium payments made by the Trustee to DTC and by DTC to DTC Participants shall be the sole responsibility of DTC, and transfer of same to Beneficial Owners or their nominees shall be the sole responsibility of DTC and the DTC Participants. So long as any such 2000 Series A Bonds are held in the Book-Entry System, no person other than DTC shall receive an authenticated 2000 Series A Bond certificate.

(6) Except with respect to the Dutch Auction Rate (in which case the provisions of Section 2.14(g) control), at any time, upon thirty (30) days written notice to the Trustee and the Issuer, DTC may determine to discontinue providing its services with respect to the 2000 Series A Bonds by giving written notice to the Company and the Trustee in accordance with the Letter of Representations and discharging its responsibilities under applicable law with respect to such 2000 Series A Bonds. Under such circumstances (unless a successor to DTC which is reasonably acceptable to the Trustee has been appointed to act as securities depository hereunder), the Company and the Trustee shall be obligated to deliver 2000 Series A Bond certificates as described in this Indenture.

Except for the Dutch Auction Rate, which shall be determined in accordance with Section 2.14 hereof, interest rates on (and, if the Interest Rate Mode is the Flexible Rate, Flexible Rate Periods for) the 2000 Series A Bonds shall be determined as follows:

Flexible Rate

(i) (A) If the Interest Rate Mode for the 2000 Series A Bonds is the Flexible Rate, the interest rate on a 2000 Series A Bond for a specific Flexible Rate Period shall be the rate established by the Remarketing Agent no later than 1:00 p.m. (New York City time) on the first day of that Flexible Rate Period as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell such 2000 Series A Bond on that day at a price equal to the principal amount thereof.

(B) Each Flexible Rate Period applicable for a 2000 Series A Bond shall be determined separately by the Remarketing Agent on or prior to the first day of such Flexible Rate Period as being the Flexible Rate Period permitted hereunder which, in the judgment of the Remarketing Agent, taking into account then Prevailing Market Conditions, will, with respect to such 2000 Series A Bond, ultimately produce the lowest overall interest cost on the 2000 Series A Bonds while the Interest Rate Mode is the Flexible Rate; provided that each Flexible Rate Period shall be from one day to 270 days in length and shall end on a day preceding a Business Day.

(C) Notwithstanding subsection (B) above:

(1) if Company has previously determined to convert the Interest Rate Mode for the 2000 Series A Bonds from the Flexible Rate, no new Flexible Rate Period for a 2000 Series A Bond shall be established unless the last day of such Flexible Rate Period occurs prior to the Conversion Date;

(2) no Flexible Rate Period may be established after the making of a determination requiring mandatory redemption of all 2000 Series A Bonds pursuant to Section 4.01(1)(a) or (b) or 4.01(2) unless the Remarketing Agent discloses such determination to the purchaser and unless the last day of such Flexible Rate Period occurs prior to the redemption date;

(3) the Flexible Rate Period for any 2000 Series A Bond held by the Tender Agent pursuant to Section 3.04(a)(ii) shall be the period from and including the date of purchase thereof pursuant to Section 3.01 through the day immediately preceding the next Business Day, which period will be re-established automatically until the day preceding the earliest of the Conversion to a different Interest Rate Mode, the maturity of the 2000 Series A Bonds or the sale of such 2000 Series A Bond pursuant to Section 3.02(b), and during such Flexible Rate Period such 2000 Series A Bond shall not bear interest but shall nevertheless remain Outstanding under this Indenture; and

(4) if the Remarketing Agent should fail to set the length of a Flexible Rate Period for any 2000 Series A Bond, a new Flexible Rate Period lasting to, but not including, the next Business Day (or until the earlier of the Conversion or maturity of the 2000 Series A Bonds) shall be established automatically and, if in that instance the Remarketing Agent fails for whatever reason to determine the interest for such 2000 Series A Bond, then the interest rate for such 2000 Series A Bond for that Flexible Rate Period shall be the interest rate in effect for such 2000 Series A Bond for the preceding Flexible Rate Period.

Daily Rate

(ii) If the Interest Rate Mode for the 2000 Series A Bonds is the Daily Rate, the interest rate on the 2000 Series A Bonds for any Business Day shall be the rate established by the Remarketing Agent no later than 9:30 a.m. (New York City time) on each Business Day as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds on such Business Day at a price equal to the principal amount thereof, plus accrued interest, if any, thereon. For any day which is not a Business Day or if the Remarketing Agent does not give written notice of a change in the interest rate, the interest rate on the 2000 Series A Bonds shall be the interest rate in effect for the immediately preceding Business Day.

Weekly Rate

(iii) If the Interest Rate Mode for the 2000 Series A Bonds is the Weekly Rate, the interest rate on the 2000 Series A Bonds for a particular Weekly Rate Period shall be the rate established by the Remarketing Agent no later than 10:00 a.m. (New York City time) on the first day of such Weekly Rate Period, or, if such day is not a Business Day, on the next succeeding Business Day, as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds on such day at a price equal to the principal amount thereof, plus accrued interest, if any, thereon.

Semi-Annual Rate

(iv) If the Interest Rate Mode for the 2000 Series A Bonds is the Semi-Annual Rate, the interest rate on the 2000 Series A Bonds for a particular Semi-Annual Rate Period shall be the rate established by the Remarketing Agent no later than 12:00 noon (New York City time) on the Business Day preceding the first day of such Semi-Annual Rate Period as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds on such first day at a price equal to the principal amount thereof.

Annual Rate

(v) If the Interest Rate Mode for the 2000 Series A Bonds is the Annual Rate, the interest rate on the 2000 Series A Bonds for a particular Annual Rate Period shall be the rate of interest established by the Remarketing Agent no later than 12:00 noon (New York City time) on the Business Day preceding the first day of such Annual Rate Period as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds on such first day at a price equal to the principal amount thereof.

(vi) If the Interest Rate Mode for the 2000 Series A Bonds is the Long Term Rate, the interest rate on the 2000 Series A Bonds for a particular Long Term Rate Period shall be the rate established by the Remarketing Agent no later than 12:00 noon (New York City time) on the Business Day preceding the first day of such Long Term Rate Period as the minimum rate of interest necessary, in the judgment of the Remarketing Agent taking into account then Prevailing Market Conditions, to enable the Remarketing Agent to sell the 2000 Series A Bonds on such first day at a price equal to the principal amount thereof.

Notice

(vii) The Remarketing Agent shall provide the Tender Agent and the Bond Registrar with Electronic Notice of each interest rate determined and, in addition, if the Interest Rate Mode for the 2000 Series A Bonds is the Flexible Rate, all Flexible Rate Periods, in each case, by the times set forth for the corresponding Interest Rate Modes in Section 3.02(c) hereof. Notice of each interest rate determined pursuant to clauses (v) and (vi) above shall be given promptly by the Bond Registrar by first class mail to each Bondholder as of the close of business on the Interest Payment Date for the Rate Period then ending.

Failure to Set Rate

(viii) Except with respect to the Dutch Auction Rate, if for any reason the interest rate on a 2000 Series A Bond is not determined by the Remarketing Agent pursuant to clauses (ii), (iii), (iv), (v) or (vi) above, the interest rate for such 2000 Series A Bond for the next succeeding Rate Period shall be the interest rate in effect for such 2000 Series A Bond for the preceding Rate Period and, except as otherwise provided pursuant to Sections 2.02(d)(iv) and 2.02(e)(iv) hereof, there shall be no change in the then applicable Long Term Rate Period or any Conversion from the then applicable Interest Rate Mode. Notwithstanding the foregoing, if for any reason the interest rate for a 2000 Series A Bond bearing interest at a Flexible Rate is not determined by the Remarketing Agent, the interest rate for such 2000 Series A Bond for the next succeeding Interest Period will be equal to the Municipal Index and the Interest Period for such 2000 Series A Bond shall extend through the day preceding the next Business Day, until the Trustee is notified of a new Flexible Rate and Flexible Rate Period determined for such 2000 Series A Bond by the Remarketing Agent.

The Long Term Rate Period shall be established by Company in the notice given pursuant to Section 2.02(e) hereof and thereafter each successive Long Term Rate Period shall be the same as that so established by Company until a different Long Term Rate Period is specified by Company in accordance with this Section or until the occurrence of a Conversion Date or the maturity of

the 2000 Series A Bonds. Each Long Term Rate Period shall be more than one year in duration, shall be for a period which is an integral multiple of six months, and shall end on the day next preceding an Interest Payment Date; provided that if a Long Term Rate Period commences on a date other than May 1 or November 1, such Long Term Rate Period may be for a period which is not an integral multiple of six months but shall be of a duration as close as possible to (but not in excess of) such Long Term Rate Period established by Company and shall terminate on a day preceding an Interest Payment Date and each successive Long Term Rate Period thereafter shall be for the full period established by Company until a different Long Term Rate Period is specified by Company in accordance with this Section or until the occurrence of a Conversion Date or the maturity of the 2000 Series A Bonds.

(ii) Change of Long Term Rate Period. Company may change from one Long Term Rate Period to another Long Term Rate Period on any Business Day on which the 2000 Series A Bonds are subject to optional redemption pursuant to Section 4.01(3)(iv) by notifying Issuer, Trustee, the Bond Registrar, the Paying Agent, the Tender Agent and the Remarketing Agent in writing at least seven calendar days prior to the thirtieth day prior to the proposed effective date of the change. Such notice shall specify (A) the information required to be contained in the notice given by the Bond Registrar to the Bondholders pursuant to Section 2.02(d)(iii) hereof, (B) that the last day of such new Long Term Rate Period shall be the earlier of the day before the maturity date of the 2000 Series A Bonds or the day immediately preceding a May 1 or November 1, and which is more than one year after the effective date of such change, and (C) the purchase price for the 2000 Series A Bonds determined under Section 3.01(b)(i) hereof. Any such notice shall be accompanied by an opinion of Bond Counsel stating that such change is authorized or permitted by the Act and authorized by this Indenture and will not adversely affect the exclusion from gross income of the interest on the 2000 Series A Bonds for federal income tax purposes.

(iii) Notice of Change in Long Term Rate Period. The Bond Registrar shall, upon notification as specified in Section 2.02(d)(ii) notify the Bondholders of any change in the Long Term Rate Period pursuant to Section 2.02(d)(ii) by first class mail, postage prepaid, at least 30 but not more than 60 days before the effective date of such change. The notice will state:

(1) that the interest rate for the new Long Term Rate Period will be determined by the Remarketing Agent no later than 12:00 noon (New York City time) on the Business Day next preceding the first day of the new Long Term Rate Period,

(2) that the Bond Registrar will provide written notice of the interest rate for the new Long Term Rate Period,

(3) the effective date of and the end of the new Long Term Rate Period and that, on such effective date, the 2000 Series A Bonds will be purchased (and the purchase price therefor),

(4) that during the new Long Term Rate Period, Bondholders will have no right to have their 2000 Series A Bonds purchased on demand, but that on the final Interest Payment Date for such Long Term Rate Period, Bondholders will have the right to have their 2000 Series A Bonds purchased on written demand received by the Tender Agent on a Business Day not later than the fifteenth day prior to such Interest Payment Date,

(5) the redemption provisions to which the 2000 Series A Bonds are subject during the new Long Term Rate Period, and

(6) that if the Remarketing Agent should fail to determine the interest rate for the new Long Term Rate Period or if the opinion of Bond Counsel required by Section 2.02(d)(ii) is rescinded prior to the opening of business at the Principal Office of the Bond Registrar on the effective date of such change, the 2000 Series A Bonds shall bear interest at the Weekly Rate subject to the requirements set forth in Section 2.02(e)(iv) hereof.

(iv) Cancellation of Change in Long Term Rate Period. Notwithstanding any provision of this Section 2.02(d), the Long Term Rate Period shall not be changed to a new Long Term Rate Period if (A) the Remarketing Agent has not determined the interest rate for the new Long Term Rate Period in accordance with this Section 2.02, or (B) the Bond Registrar shall receive written notice from Bond Counsel prior to the opening of business at the Principal Office of the Bond Registrar on the effective date of such change that the opinion of such Bond Counsel required under Section 2.02(d)(ii) has been rescinded. Subject to Section 2.02(e)(iv), upon the occurrence of any of the events described in the preceding sentence, the 2000 Series A Bonds will bear interest at the Weekly Rate, commencing on the date which would have been the effective date of the proposed change of the Long Term Rate Period.

(e) Conversion of Interest Rate Mode.

(i) Method of Conversion. The Interest Rate Mode for the 2000 Series A Bonds is subject to Conversion to a different Interest Rate Mode from time to time in whole and not in part by Company, such right to be exercised by notifying Issuer, Trustee, the Bond Registrar, the Paying Agent, the Tender Agent and the Remarketing Agent in writing at least seven calendar days prior to (x) in the cases of Conversion to or from the Semi-Annual Rate, the Annual Rate and the Long Term Rate, the thirtieth day prior to the effective date of such proposed Conversion and (y) in all other cases, the fifteenth day prior to such proposed effective date; provided that, in any event, with respect to Conversion from the Flexible Rate, the effective date of such Conversion may not occur until the Interest Payment Date relating to the last Flexible Rate Period then in effect, and, provided further, that no new Flexible Rate Period may be established subsequent to such notice which would have an Interest Payment Date later than the proposed date of Conversion. Such notice shall specify (A) the effective date of such Conversion and the information

required by Section 2.02(e)(iii), (B) the proposed Interest Rate Mode, (C) if the Conversion is to the Long Term Rate, the duration of the Long Term Rate Period and the information required pursuant to Section 2.02(d)(iii) hereof, and (D) if the 2000 Series A Bonds will be subject to mandatory purchase on the Conversion Date and, if so, the purchase price of the 2000 Series A Bonds determined under Section 3.01(b)(i) hereof. The notice must be accompanied by an opinion of Bond Counsel stating that the Conversion is authorized or permitted by the Act and is authorized by this Indenture and will not adversely affect the exclusion from gross income of interest on the 2000 Series A Bonds for federal income tax purposes.

(ii) Limitations. Any Conversion of the Interest Rate Mode for the 2000 Series A Bonds pursuant to paragraph (i) above must comply with the following:

(1) the Conversion Date must be a date on which the 2000 Series A Bonds are subject to optional redemption pursuant to Section 4.01(3) and, if the Conversion is to or from a Dutch Auction Rate Period, must be the last Interest Payment Date in respect of that Dutch Auction Rate Period, provided further that any Conversion from the Daily Rate to the Weekly Rate or from the Weekly Rate to the Daily Rate also must be a Wednesday;

(2) if the proposed Conversion Date would not be an Interest Payment Date except for such Conversion, the Conversion Date must be a Business Day;

(3) if the Conversion is from the Flexible Rate, (1) the Conversion Date shall be no earlier than the latest Interest Payment Date established prior to the giving of notice to the Remarketing Agent of the proposed Conversion and (2) no further Interest Payment Date may be established while the Interest Rate Mode is then the Flexible Rate if such Interest Payment Date would occur after the effective date of that Conversion;

(4) after a determination is made requiring mandatory redemption of all 2000 Series A Bonds pursuant to Section 4.01(1) or (2), no change in the Interest Rate Mode may be made prior to the redemption of 2000 Series A Bonds pursuant to Section 4.01(1) or (2); and

(iii) Notice to Bondholders of Conversion of Interest Rate. The Bond Registrar shall, upon receipt of the notice specified in Section 2.02(e)(i), notify the Bondholders of each Conversion by first class mail, postage prepaid, at least 15 days (30 days in the case of Conversion from or to the Dutch Auction Rate, the Semi-Annual Rate, the Annual Rate or the Long Term Rate) but not more than 60 days before the Conversion Date. The notice will state:

(1) that the Interest Rate Mode will be converted and what the new Interest Rate Mode will be;

- (2) the Conversion Date;
- (3) the Interest Payment Dates and Regular Record Dates, if any, after Conversion;
- (4) that all 2000 Series A Bonds will be subject to mandatory purchase on the Conversion Date in accordance with Section 3.01(b), and the purchase price and the procedures Bondholders are to follow; and
- (5) that if (1) the Remarketing Agent should fail to determine the interest rate for the first Rate Period in the new Interest Rate Mode, (2) the 2000 Series A Bonds that are to be purchased pursuant to Section 3.01(a) or (b) as applicable are not remarketed or sold by the Remarketing Agent or (3) the opinion of Bond Counsel required by Section 2.02(e)(i) is rescinded prior to the opening of business at the Principal Office of the Bond Registrar on the effective date of Conversion, there shall be no such Conversion.

If the Conversion is to the Long Term Rate, the notice will, if the Bond Registrar has received the notice specified in Section 2.02(d)(ii), also state the information required by Section 2.02(d)(iii).

If the Conversion is to the Flexible Rate, the notice will also state:

- (A) that during the Flexible Rate Period Registered Owners will have no right to have 2000 Series A Bonds purchased by the Tender Agent under Section 3.01(a);
- (B) that on the day following the last day of each Flexible Rate Period for a 2000 Series A Bond, such 2000 Series A Bond will be purchased;
- (C) that no notice of any such purchase described in clause (B) immediately above will be given to the Bondholder; and
- (D) that Registered Owners of 2000 Series A Bonds will be required to surrender their 2000 Series A Bonds in order to receive interest payments.

(iv) Cancellation of Conversion of Interest Rate Mode. Notwithstanding any provision of this Section 2.02, the Interest Rate Mode shall not be converted if (A) the Remarketing Agent has not determined the initial interest rate for the new Interest Rate Mode in accordance with this Section 2.02, (B) the 2000 Series A Bonds that are to be purchased pursuant to Section 3.01(b) are not remarketed or sold by the Remarketing Agent or (C) the Bond Registrar shall receive written notice from Bond Counsel prior to the opening of business at the Principal Office of the Bond Registrar on the effective date of Conversion that the opinion of such Bond Counsel required under Section 2.02(e)(i) has been rescinded. If such Conversion fails to occur, such 2000 Series A Bonds in the Dutch

Auction Rate shall remain in the Dutch Auction Rate. The 2000 Series A Bonds in any other Interest Rate Mode shall be converted automatically to the Weekly Rate at the rate determined by the Remarketing Agent on the Failed Conversion Date (with the first period adjusted in length so that the last day of such period shall be a Tuesday); provided, however, that there must be delivered to Issuer, Trustee, the Bond Registrar, the Tender Agent, Company and the Remarketing Agent, an opinion of Bond Counsel to the effect that determining the interest rate to be borne by the 2000 Series A Bonds at a Weekly Rate by the Remarketing Agent on the failed Conversion Date is authorized or permitted by the Act and is authorized by the Indenture and will not adversely affect the exclusion from gross income of interest on the 2000 Series A Bonds for federal income tax purposes. If the opinion of Bond Counsel described in the proviso to the preceding sentence is not delivered on the failed Conversion Date, the 2000 Series A Bonds shall bear interest for a Rate Period of the same type and of substantially the same length as the Rate Period in effect prior to the failed Conversion Date at a rate of interest determined by the Remarketing Agent on the failed Conversion Date; provided that if the 2000 Series A Bonds then bear interest at the Long Term Rate, and if such opinion is not delivered on the date which would have been the effective date of a new Long Term Rate Period, the 2000 Series A Bonds will bear interest at the Annual Rate, commencing on such date, at an Annual Rate determined by the Remarketing Agent on such date. If the proposed Conversion of the 2000 Series A Bonds or commencement of a new Long Term Rate Period is cancelled as provided in this paragraph, any mandatory purchase of the 2000 Series A Bonds is still effective and the 2000 Series A Bonds shall bear interest as provided in the two preceding sentences.

(f) Binding Effect of Determination and Computations. The determination of each interest rate in accordance with the terms of this Indenture shall be conclusive and binding upon the Registered Owners of the 2000 Series A Bonds, Issuer, Company, Trustee, the Bond Registrar, each Paying Agent, the Tender Agent and the Remarketing Agent.

Section 2.03. Registered 2000 Series A Bonds Required; Bond Registrar and Bond Register. All 2000 Series A Bonds shall be issued in fully registered form. The 2000 Series A Bonds shall be registered upon original issuance and upon subsequent transfer or exchange as provided in this Indenture.

Issuer shall designate a person to act as “Bond Registrar” for the 2000 Series A Bonds, provided that the Bond Registrar (if other than the Trustee) appointed for the 2000 Series A Bonds shall be a person which is acceptable to Company and which would meet the requirements for qualification as a successor trustee imposed by Section 10.08. Issuer hereby appoints Trustee, The Bank of New York, acting through its corporate trust office located in New York, New York, as the initial Bond Registrar. Any subsequent person other than Trustee undertaking to act as Bond Registrar shall first execute a written agreement, in form satisfactory to Trustee, to perform the duties of a Bond Registrar under this Indenture, which agreement shall be filed with Trustee.

The Bond Registrar shall act as registrar and transfer agent for the 2000 Series A Bonds. Issuer shall cause to be kept at the office of the Bond Registrar a register (herein sometimes referred to as the “Bond Register”) in which, subject to such reasonable regulations as it, the Trustee or the

Bond Registrar may prescribe, Issuer shall provide for the initial registration of the 2000 Series A Bonds and for the registration of transfers of the 2000 Series A Bonds. Issuer shall cause the Bond Registrar, if other than the Trustee, to designate, by a written notification to Trustee, a specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept.

The Bond Registrar shall at such time as reasonably requested by the Tender Agent, Company or the Remarketing Agent, certify and furnish to Trustee, the Tender Agent, the Remarketing Agent, Company and any Paying Agent, the names, addresses, and holdings of Bondholders and any other relevant information reflected in the Bond Register, and Trustee, the Tender Agent, the Remarketing Agent, Company and any such Paying Agent shall for all purposes be fully entitled to rely upon the information so furnished to them and shall have no liability or responsibility in connection with the preparation thereof except to the extent that any such information was furnished or supplied to the Bond Registrar by any such entity.

Section 2.04. Transfer and Exchange. As provided in Section 2.03 Issuer shall cause a Bond Register to be kept at the designated office of the Bond Registrar. Upon surrender for registration of transfer of any 2000 Series A Bond at such office, Issuer shall execute and the Bond Registrar or its Authenticating Agent shall authenticate and deliver in the name of the transferee or transferees, one or more new fully registered 2000 Series A Bonds of Authorized Denominations for the aggregate principal amount which the Registered Owner is entitled to receive. In addition, if such 2000 Series A Bond bears interest at the Flexible Rate, the Bond Registrar, to the extent it has received the relevant notices pursuant to this Indenture, will make the appropriate insertions on the face of the 2000 Series A Bond.

Subject to the limitations set forth in Section 2.01(c) with respect to Bonds held in a Book-Entry System, at the option of the Registered Owner, 2000 Series A Bonds may be exchanged for other 2000 Series A Bonds of any other Authorized Denomination, of a like aggregate principal amount, upon surrender of the 2000 Series A Bonds to be exchanged at such office. Whenever any 2000 Series A Bonds are so surrendered for exchange, Issuer shall execute, and the Bond Registrar or the Authenticating Agent shall authenticate and deliver, the 2000 Series A Bonds which the Bondholder making the exchange is entitled to receive.

All 2000 Series A Bonds presented for registration of transfer, exchange, redemption or payment shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Bond Registrar, duly executed by the Registered Owner or by his attorney duly authorized in writing.

No service charge shall be made to a Bondholder for any exchange or registration of transfer of 2000 Series A Bonds, but Issuer or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Neither Issuer nor the Bond Registrar on behalf of Issuer shall be required (i) to register the transfer of or exchange any 2000 Series A Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of 2000 Series A Bonds

selected for redemption and ending at the close of business on the day of such mailing, (ii) to register the transfer of or exchange any 2000 Series A Bond so selected for redemption in whole or in part, or (iii) other than pursuant to Article III, to register any transfer of or exchange any 2000 Series A Bond with respect to which the Registered Owner has submitted a demand for purchase in accordance with Section 3.01(a) or which has been purchased pursuant to Section 3.01(b).

New 2000 Series A Bonds delivered upon any registration of transfer or exchange shall be valid obligations of Issuer, evidencing the same debt as the 2000 Series A Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the 2000 Series A Bonds surrendered.

Section 2.05. Execution. The 2000 Series A Bonds shall be executed by the reproduced facsimile signature of the Mayor of Issuer, and a reproduced facsimile of the seal of Issuer shall be printed thereon and attested, by reproduced facsimile signature, by the Metro Council Clerk of Issuer.

2000 Series A Bonds executed as above provided may be issued and shall, upon the direction of Issuer, be authenticated by the Bond Registrar or the Authenticating Agent, notwithstanding that any officer signing such 2000 Series A Bonds or whose facsimile signature appears thereon shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the 2000 Series A Bond. All authorized facsimile signatures shall have the same force and effect as manual signatures. The 2000 Series A Bonds are not and shall never in any event become general obligations of Issuer but are special and limited obligations payable solely and only from the payments and other amounts under the Agreement, which amounts (except with respect to any moneys held in or earnings on the Rebate Fund) together with the other security provided herein, are hereby specifically assigned and pledged to such purposes in the manner and to the extent provided herein. The 2000 Series A Bonds and the interest thereon shall never constitute a debt, indebtedness or a pledge of the faith and credit of the Commonwealth of Kentucky, or any political subdivision thereof, including Issuer, within the meaning of any provision or limitation of the Constitution or statutes of the Commonwealth of Kentucky or any political subdivision thereof, or Issuer, and shall not constitute or give rise to a pecuniary liability of Issuer or a charge against its general credit or taxing powers. Neither the Commonwealth of Kentucky nor any political subdivision thereof, nor Issuer, shall be obligated to pay the principal of the 2000 Series A Bonds, premium, if any, or the interest thereon or other costs incident thereto except from the revenues and amounts assigned and pledged therefor and neither the faith and credit nor the taxing power of the Commonwealth of Kentucky or any political subdivision thereof or Issuer is assigned or pledged to the payment of the principal of the 2000 Series A Bonds, premium, if any, or the interest thereon or other costs incident thereto. In case any officer of Issuer whose signature or a facsimile of whose signature shall appear on the 2000 Series A Bonds shall cease to be such officer before the delivery of such 2000 Series A Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Section 2.06. Authentication; Authenticating Agent. No 2000 Series A Bond shall be valid for any purpose until the Certificate of Authentication thereon shall have been duly executed as provided in this Indenture, and such authentication shall be conclusive proof that such 2000 Series A Bond has been duly authenticated and delivered under this Indenture and that the Registered Owner thereof is entitled to the benefit of the trust hereby created.

The Bond Registrar may appoint an Authenticating Agent with the power to act on the Bond Registrar's behalf and subject to its direction in the authentication and delivery of 2000 Series A Bonds in connection with the registration of transfers and exchanges under Section 2.04 hereof, and the authentication and delivery of 2000 Series A Bonds by an Authenticating Agent pursuant to this Section shall, for all purposes of this Indenture, be deemed to be the authentication and delivery "by the Bond Registrar". The Bond Registrar shall, however, itself authenticate all 2000 Series A Bonds upon their initial issuance and any 2000 Series A Bonds issued in substitution for other 2000 Series A Bonds pursuant to Sections 2.09 and 2.10. The Company shall pay any Authenticating Agent reasonable compensation for its services.

Any corporation or national banking association into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or national banking association resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of any Authenticating Agent, shall be the successor of the Authenticating Agent hereunder, if such successor corporation or national banking association is otherwise eligible as a Bond Registrar under Section 2.03, without the execution or filing of any further act on the part of the parties hereto or the Authenticating Agent or such successor corporation or national banking association.

Any Authenticating Agent may at any time resign by giving written notice of resignation to Trustee, the Bond Registrar, Issuer and Company. The Bond Registrar may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent, Issuer, Trustee and Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible under this Section, the Bond Registrar may appoint a successor Authenticating Agent which shall be acceptable to Company, shall give written notice of such appointment to Issuer, Trustee and Company, and shall mail notice of such appointment to all Registered Owners of 2000 Series A Bonds as the names and addresses of such Registered Owners appear on the Bond Register.

Section 2.07. Payment of Principal and Interest; Interest Rights Preserved. The principal or redemption price of any 2000 Series A Bond shall be payable when due, upon surrender of such 2000 Series A Bond, in any coin or currency of the United States of America which, at the time of payment, is legal tender for the payment of public and private debts, at the Principal Office of any Paying Agent. Interest on any 2000 Series A Bond on each Interest Payment Date in respect thereof shall be payable by check mailed on the Interest Payment Date to the address of the person entitled thereto as such address shall appear in the Bond Register; provided that interest payable on any 2000 Series A Bond shall, (i) if the Interest Rate Mode is the Daily Rate, the Weekly Rate, the

Dutch Auction Rate or the Flexible Rate, or (ii) at the written request of any Registered Owner of at least \$1,000,000 aggregate principal amount of 2000 Series A Bonds, if the Interest Rate Mode is the Semi-Annual Rate, Annual Rate or Long Term Rate, received by the Bond Registrar at least one Business Day prior to any Record Date, be payable to such Registered Owner on the applicable Interest Payment Date and thereafter in immediately available funds by wire transfer to a bank account number of such Registered Owner within the United States or by deposit into a bank account maintained with Trustee or a Paying Agent, in either case, to the bank account number of such owner specified in such request and entered by the Bond Registrar on the Bond Register; provided further, however, that if the Interest Rate Mode is the Flexible Rate, interest on any Bond shall be paid only upon presentation and surrender of such 2000 Series A Bond.

Interest on any 2000 Series A Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name that 2000 Series A Bond is registered at the close of business on the Regular Record Date for such interest or, in the case of an Interest Payment Date for a Flexible Rate Period, at the open of business on such Interest Payment Date.

Any interest on any 2000 Series A Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Registered Owner of such 2000 Series A Bond on the relevant Regular Record Date or Interest Payment Date by virtue of having been such Registered Owner, and such Defaulted Interest shall be paid to the person in whose name the 2000 Series A Bond is registered at the close of business on a Special Record Date to be fixed by the Bond Registrar, such date to be no more than 15 nor fewer than 10 days prior to the date of proposed payment. The Bond Registrar, on behalf of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to the Trustee and the Paying Agent and to each Bondholder at his address as it appears in the Bond Register, not fewer than 10 days prior to such Special Record Date.

Subject to the foregoing provisions of this Section 2.07, each 2000 Series A Bond delivered under this Indenture upon registration of transfer of or exchange for or in lieu of any other 2000 Series A Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other 2000 Series A Bond.

Section 2.08. Persons Deemed Owners. Issuer, Trustee, the Bond Registrar, any Paying Agent, the Tender Agent and any Authenticating Agent may deem and treat the Registered Owner as the absolute owner thereof (whether or not such 2000 Series A Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon) for the purpose of receiving payment of or on account of the principal of (and premium, if any, on), and (subject to Section 2.07) interest on, such 2000 Series A Bond, and for all other purposes, and neither Issuer, Trustee, the Bond Registrar, the Tender Agent, any Paying Agent nor the Authenticating Agent shall be affected by any notice to the contrary. All such payments so made to any such Registered Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such 2000 Series A Bond.

Section 2.09. Mutilated, Destroyed, Lost or Stolen 2000 Series A Bonds.

(a) If any 2000 Series A Bond shall become mutilated, lost, stolen or destroyed, the affected Bondholder shall be entitled to the issuance of a substitute 2000 Series A Bond only as follows:

(i) in the case of a lost, stolen or destroyed 2000 Series A Bond, the Bondholder shall (i) provide notice of the loss, theft or destruction to the Issuer and the Bond Registrar within a reasonable time after the Bondholder receives notice of the loss, theft or destruction, (ii) request the issuance of a substitute Bond and (iii) provide evidence, satisfactory to Issuer and the Bond Registrar, of the ownership and the loss, theft or destruction of the affected 2000 Series A Bond;

(ii) in the case of a mutilated 2000 Series A Bond, the Bondholder shall surrender the 2000 Series A Bond to the Bond Registrar for cancellation; and

(iii) in all cases, the Bondholder shall provide indemnity against any and all claims arising out of or otherwise related to the issuance of substitute 2000 Series A Bonds pursuant to this Section satisfactory to Issuer, the Bond Registrar and Company.

Upon compliance with the foregoing, a new 2000 Series A Bond of like tenor and denomination, but bearing a number not contemporaneously outstanding executed by Issuer, shall be authenticated by the Bond Registrar and delivered to the Bondholder, all at the expense of the Bondholder to whom the substitute 2000 Series A Bond is delivered. Notwithstanding the foregoing, the Bond Registrar shall not be required to authenticate and deliver any substitute 2000 Series A Bond for a 2000 Series A Bond which has been called for redemption or which has matured or is about to mature and, in any such case, the principal or redemption price and interest then due or becoming due shall be paid by the Bond Registrar or a Paying Agent in accordance with the terms of the mutilated, lost, stolen or destroyed 2000 Series A Bond without substitution therefor.

(b) Every substituted 2000 Series A Bond issued pursuant to this Section 2.09 shall constitute an additional contractual obligation of Issuer and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other 2000 Series A Bonds duly issued hereunder. In the event the 2000 Series A Bond alleged to have been destroyed, lost or stolen shall be enforceable by anyone, Issuer may recover the substitute 2000 Series A Bond from the Bondholder to whom it was issued or from anyone taking under the Bondholder except a bona fide purchaser for value without notice.

(c) All 2000 Series A Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen 2000 Series A Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or investment or other securities without their surrender.

Section 2.10. Temporary Bonds. Pending preparation of definitive 2000 Series A Bonds, or by agreement with the purchasers of all 2000 Series A Bonds, Issuer may issue, and, upon its request, the Bond Registrar shall authenticate, in lieu of definitive 2000 Series A Bonds one or more temporary printed or typewritten 2000 Series A Bonds of substantially the tenor recited above in any Authorized Denomination. Upon written request of Issuer, the Bond Registrar shall authenticate definitive 2000 Series A Bonds in exchange for and upon surrender of an equal principal amount of temporary 2000 Series A Bonds. Until so exchanged, temporary 2000 Series A Bonds shall have the same rights, remedies and security hereunder as definitive 2000 Series A Bonds.

Section 2.11. Cancellation of Surrendered 2000 Series A Bonds. 2000 Series A Bonds surrendered for payment, redemption, transfer or exchange, 2000 Series A Bonds surrendered for purchase pursuant to Article III hereof and 2000 Series A Bonds surrendered to the Bond Registrar by Issuer or by Company for cancellation shall be cancelled by the Bond Registrar, which, upon written request therefor, shall notify Company of such cancellation. Cancelled 2000 Series A Bonds shall be disposed of on a permanent basis by the Bond Registrar in accordance with its standard procedures.

Section 2.12. Conditions Precedent to Authentication and Delivery of 2000 Series A Bonds. Issuer shall execute and deliver to Trustee and Trustee shall authenticate 2000 Series A Bonds and deliver them to or upon the written order of Issuer and as hereinafter in this Section provided.

Prior to and as a condition precedent to the initial delivery by Trustee of 2000 Series A Bonds, there shall be filed with and delivered to Trustee:

- (1) A copy, duly certified by the Metro Council Clerk of Issuer, of the ordinance adopted by Issuer authorizing the issuance of the 2000 Series A Bonds, and authorizing the execution and delivery of the Agreement and this Indenture.
- (2) An original executed counterpart of the Agreement and this Indenture.
- (3) A written request and authorization to Trustee on behalf of Issuer and signed by the Mayor and Metro Council Clerk of Issuer to authenticate and deliver the 2000 Series A Bonds to the purchasers therein identified or upon the written order of Issuer upon payment to Trustee but for the account of Issuer of a sum specified in such request and authorization plus accrued interest thereon, if any, to the date of delivery. The proceeds of such payment shall be paid over to Trustee and deposited in the Bond Fund pursuant to Article VI hereof.
- (4) A certificate signed by authorized officers of Issuer and Company stating that neither Issuer nor Company is in default in the performance of any of the covenants, conditions, agreements or provisions contained in this Indenture or the Agreement, and that all representations and warranties on its part contained in this Indenture or the Agreement are true and correct in all material respects.

(5) A copy, duly certified by the Secretary or an Assistant Secretary of Company, of all resolutions of the Board of Directors of Company (or a duly authorized committee thereof) (A) authorizing and approving the borrowing from Issuer, pursuant to the terms of the Agreement, of at least the amount specified in the request and authorization to Trustee specified in (3) above, and (B) authorizing the execution and delivery of the Agreement.

(6) A copy, addressed to Trustee, of the opinion required by Section 7.7 of the Agreement.

(7) A written opinion of Bond Counsel to the effect that the 2000 Series A Bonds have been validly issued under this Indenture, that all requirements precedent to the delivery of the 2000 Series A Bonds have been satisfied and that interest on the 2000 Series A Bonds is excludable from gross income of the Registered Owners thereof for purposes of Federal and Kentucky income taxation.

(8) Such additional documents, certificates and showings, as shall be required by Bond Counsel, Issuer or the Company for the issuance of the 2000 Series A Bonds.

Section 2.13. Temporary 2000 Series A Bonds to be Replaced. In the event temporary 2000 Series A Bonds are issued pursuant to Section 2.10, Issuer will, without unreasonable delay, prepare and Trustee will authenticate definitive 2000 Series A Bonds in exchange for the temporary 2000 Series A Bonds. Such exchange shall be made by Trustee without charge.

Section 2.14. Dutch Auction Rate Periods; Dutch Auction Rate: Auction Period.

(a) General.

(i) During any Dutch Auction Rate Period, the 2000 Series A Bonds shall bear interest at the Dutch Auction Rate determined as set forth in this subsection (a) and in subsections (b), (c), (d), (e) and (f) of this Section 2.14. The Dutch Auction Rate for any initial Auction Period immediately after either any Conversion to a Dutch Auction Rate Period or a mandatory purchase of 2000 Series A Bonds pursuant to Section 3.01(b)(iii) hereof, shall be the rate of interest per annum determined and certified to the Trustee (with a copy to the Bond Registrar, Paying Agent and the Company) by the Market Agent on a date not later than the effective date of such Conversion or the date of such mandatory purchase, as the case may be, as the minimum rate of interest which, in the opinion of the Market Agent, would be necessary as of the date of such Conversion or the date of such mandatory purchase, as the case may be, to market 2000 Series A Bonds in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate shall not exceed 10% per annum. Except as otherwise provided in Section 2.02(c) with respect to the initial Auction Period and in this Section 2.14 for any other Auction Period, the Dutch Auction Rate shall be

the rate of interest per annum that results from implementation of the Dutch Auction Procedures; provided that such interest rate shall not exceed the Maximum Dutch Auction Rate and in every event shall not exceed 10% per annum. Except as provided below, if on any Auction Date for any reason an Auction is not held, the Dutch Auction Rate for the next succeeding Auction Period shall equal the Maximum Dutch Auction Rate on and as of such Auction Date. Determination of the Dutch Auction Rate pursuant to the Dutch Auction Procedures shall be suspended upon the occurrence of a Failure to Deposit or an Event of Default described in Section 9.01(a) or (b). Upon the occurrence of a Failure to Deposit or an Event of Default described in Section 9.01(a) or (b) on any Auction Date, no Auction will be held, all Submitted Bids and Submitted Sell Orders shall be rejected, the existence of Sufficient Clearing Bids shall be of no effect and the Dutch Auction Rate shall be equal to the Overdue Rate as determined on and as of the immediately preceding Auction Date for each Auction Period, commencing after the occurrence of such Failure to Deposit or Event of Default to and including the Auction Period, if any, during which or commencing less than two Business Days after the Failure to Deposit or Event of Default has been cured or waived.

The Dutch Auction Rate for any Auction Period commencing after certificates representing the 2000 Series A Bonds have been distributed pursuant to Section 2.14(g) shall be equal to the Maximum Dutch Auction Rate on each Auction Date.

(ii) Auction Periods may be changed pursuant to Section 2.14(b) at any time unless a Failure to Deposit or an Event of Default has occurred and has not been cured or waived. Each Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 2.14(b) and each Auction Period which immediately succeeds an Auction Period that is not a Standard Auction Period shall be a Standard Auction Period unless a different Auction Period is established pursuant to Section 2.14(b).

(iii) The Market Agent shall from time to time increase any or all of the percentages set forth in the definition of "Applicable Percentage" or the percentage set forth in the definition of "Minimum Dutch Auction Rate" in order that such percentages take into account any amendment to the Code or other statute enacted by the Congress of the United States or any temporary, proposed or final regulation promulgated by the United States Treasury, after the date hereof which (a) changes or would change any deduction, credit or other allowance allowable in computing liability for any federal tax with respect to, or (b) imposes or would impose or increases or would increase any federal tax (including, but not limited to, preference or excise taxes) upon, any interest on a governmental obligation the interest on which is excludable from federal gross income under Section 103 of the Code. The Market Agent shall give notice of any such increase by means of a written notice delivered at least two Business Days prior to the Auction Date on which such increase is proposed to be effective to the Trustee, the Auction Agent, the Company and DTC.

(b) Dutch Auction Rate Period: Change of Auction Period by Issuer.

(i) During a Dutch Auction Rate Period, the Company may change the length of a single Auction Period or the Standard Auction Period by means of a written notice delivered at least 20 days but not more than 60 days prior to the Auction Date for such Auction Period to the Trustee, the Auction Agent, the Issuer and DTC. Any Auction Period or Standard Auction Period established pursuant to this Section 2.14(b) may not exceed 364 days in duration. If such Auction Period will be less than 35 days, such notice shall be effective only if it is accompanied by a written statement of the Registrar and Paying Agent, the Trustee, the Auction Agent and DTC to the effect that they are capable of performing their duties hereunder and under the Auction Agent Agreement with respect to such Auction Period. The length of an Auction Period or the Standard Auction Period may not be changed pursuant to this Section 2.14(b) unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period.

(ii) The change in length of an Auction Period or the Standard Auction Period shall take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the Company on behalf of the Issuer, by telecopy or similar means, authorizing the change in the Auction Period or the Standard Auction Period, which shall be specified in such certificate, and confirming that Bond Counsel expects to be able to give an opinion on the first day of such Auction Period to the effect that the change in the Auction Period is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the 2000 Series A Bonds from gross income for federal income tax purposes, (B) the Trustee shall not have delivered to the Auction Agent by 12:00 noon (New York City time) on the Auction Date for such Auction Period notice that a Failure to Deposit has occurred, (C) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period, and (D) the Trustee and the Auction Agent receive by 9:30 a.m. (New York City time) on the first day of such Auction Period, an opinion of Bond Counsel to the effect that the change in the Auction Period is authorized by this Indenture, is permitted under the Act and will not have an adverse effect on the exclusion of interest on the 2000 Series A Bonds from gross income for federal income tax purposes. If the condition referred to in (A) above is not met, the Dutch Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Dutch Auction Procedures and the next succeeding Auction Period shall be a Standard Auction Period. If any of the conditions referred to in (B), (C) or (D) above is not met, the Dutch Auction Rate for the next succeeding Auction Period shall equal the Maximum Dutch Auction Rate as determined as of the Auction Date for such Standard Auction Period.

(c) Dutch Auction Rate Period: Orders by Existing Holders and Potential Holders.

(i) Subject to the provisions of Section 2.14(a), Auctions shall be conducted on each Auction Date in the manner described in this Section 2.14(c) and in Section 2.14(d),

(e) and (f) prior to the Submission Deadline on each Auction Date during a Dutch Auction Rate Period:

(A) each Existing Holder may submit to the Broker-Dealer information as to:

(x) the principal amount of 2000 Series A Bonds, if any, held by such Existing Holder which such Existing Holder desires to continue to hold without regard to the Dutch Auction Rate for the next succeeding Auction Period;

(y) the principal amount of 2000 Series A Bonds, if any, held by such Existing Holder which such Existing Holder offers to sell if the Dutch Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Existing Holder; and

(z) the principal amount of 2000 Series A Bonds, if any, held by such Existing Holder which such Existing Holder offers to sell without regard to the Dutch Auction Rate for the next succeeding Auction Period;

(B) one or more Broker-Dealers may contact Potential Holders to determine the principal amount of 2000 Series A Bonds which each such Potential Holder offers to purchase if the Dutch Auction Rate for the next succeeding Auction Period shall not be less than the interest rate per annum specified by such Potential Holder.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (A)(x), (A)(y) or (A)(z) or clause (B) above is hereinafter referred to as an "Order" and each Existing Holder and Potential Holder placing an Order is hereinafter referred to as a "Bidder"; an Order containing the information referred to in clause (A)(x) above is hereinafter referred to as a "Hold Order"; an Order containing the information referred to in clause (A)(y) or clause (B) above is hereinafter referred to as a "Bid"; and an Order containing the information referred to in clause (A)(z) above is hereinafter referred to as a "Sell Order".

(ii) (A) Subject to the provisions of Section 2.14(d), a Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(x) the principal amount of 2000 Series A Bonds specified in such Bid if the Dutch Auction Rate determined pursuant to the Dutch Auction Procedures on such Auction Date shall be less than the interest rate per annum specified therein; or

(y) such principal amount or a lesser principal amount of 2000 Series A Bonds to be determined as set forth in Section 2.14(f)(i)(D) if the Dutch Auction Rate determined pursuant to the Dutch Auction Procedures

on such Auction Date shall be equal to the interest rate per annum specified therein; or

(z) such principal amount if the interest rate per annum specified therein shall be higher than the Maximum Dutch Auction Rate or such principal amount or a lesser principal amount of 2000 Series A Bonds to be determined as set forth in Section 2.14(f)(ii)(C) if such specified rate shall be higher than the Maximum Dutch Auction Rate and Sufficient Clearing Bids do not exist.

(B) Subject to the provisions of Section 2.14(d), a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(y) the principal amount of 2000 Series A Bonds specified in such Sell Order; or

(z) such principal amount or a lesser principal amount of 2000 Series A Bonds as set forth in Section 2.14(f)(ii)(C) if Sufficient Clearing Bids do not exist.

(C) Subject to the provisions of Section 2.14(d), a Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(y) the principal amount of 2000 Series A Bonds specified in such Bid if the Dutch Auction Rate determined on such Auction Date shall be higher than the rate specified therein; or

(z) such principal amount or a lesser principal amount of 2000 Series A Bonds as set forth in Section 2.14(f)(i)(E) if the Dutch Auction Rate determined on such Auction Date shall be equal to such specified rate.

(d) Dutch Auction Rate Period: Submission of Orders by Broker-Dealers to Auction Agent.

(i) During a Dutch Auction Rate Period each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date during the Dutch Auction Rate Period, all Orders obtained by such Broker-Dealer and shall specify with respect to each such Order:

(A) the aggregate principal amount of 2000 Series A Bonds that are subject to such Order;

(B) to the extent that such Bidder is an Existing Holder:

(x) the principal amount of 2000 Series A Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(y) the principal amount of 2000 Series A Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(z) the principal amount of 2000 Series A Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(C) to the extent such Bidder is a Potential Holder, the rate specified in such Potential Holder's Bid.

(ii) if any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(iii) If an Order or Orders covering all 2000 Series A Bonds held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of 2000 Series A Bonds held by such Existing Holder and not subject to Orders submitted to the Auction Agent. Neither the Issuer, the Company, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder.

(iv) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of 2000 Series A Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including the principal amount of 2000 Series A Bonds held by such Existing Holder, and, if the aggregate principal amount of 2000 Series A Bonds subject to such Hold Orders exceeds the aggregate principal amount of 2000 Series A Bonds held by such Existing Holder, the aggregate principal amount of 2000 Series A Bonds subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of 2000 Series A Bonds held by such Existing Holder;

(B) (w) any Bid shall be considered valid up to and including the excess of the principal amount of 2000 Series A Bonds held by such Existing Holder over the aggregate principal amount of 2000 Series A Bonds subject to any Hold Orders referred to in paragraph (A) above;

(x) subject to clause (w) above, if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate

principal amount of 2000 Series A Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the principal amount of 2000 Series A Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of 2000 Series A Bonds equal to such excess;

(y) subject to clauses (w) and (x) above, if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(z) in any such event, the aggregate principal amount of 2000 Series A Bonds, if any, subject to Bids not valid under this paragraph (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of 2000 Series A Bonds held by such Existing Holder over the aggregate principal amount of 2000 Series A Bonds subject to valid Hold Orders referred to in paragraph (A) and valid Bids referred to in paragraph (B) above.

(v) If more than one Bid for 2000 Series A Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid for 2000 Series A Bonds with the rate and principal amount therein specified.

(vi) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of 2000 Series A Bonds not equal to \$50,000 or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of 2000 Series A Bonds not equal to \$50,000 or an integral multiple thereof shall be rejected.

(vii) Any Bid submitted by an Existing Holder or Potential Holder specifying a rate lower than the Minimum Dutch Auction Rate shall be treated as a Bid specifying the Minimum Dutch Auction Rate.

(viii) Any Order submitted in an Auction by a Broker-Dealer to the Auction Agent prior to the Submission Deadline on any Auction Date shall be irrevocable.

(e) Dutch Auction Rate Period: Determination of Sufficient Clearing Bids, Winning Bid Rate and Dutch Auction Rate.

(i) Not earlier than the Submission Deadline on each Auction Date during the Dutch Auction Rate Period, the Auction Agent shall assemble all valid Orders submitted or

deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order") and shall determine:

(A) the excess of the total principal amount of 2000 Series A Bonds over the aggregate principal amount of 2000 Series A Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Auction Bonds"); and

(B) from the Submitted Orders whether the aggregate principal amount of 2000 Series A Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Dutch Auction Rate exceeds or is equal to the sum of:

(y) the aggregate principal amount of 2000 Series A Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Dutch Auction Rate; and

(z) the aggregate principal amount of 2000 Series A Bonds subject to Submitted Sell Orders,

(in the event of such excess or such equality exists (other than because the sum of the principal amounts of 2000 Series A Bonds in clauses (y) and (z) above is zero because all of the 2000 Series A Bonds are subject to Submitted Hold Orders), such Submitted Bids in clause (B) above are hereinafter reflected to collectively as "Sufficient Clearing Bids"); and

(C) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids (the "Winning Bid Rate") which if:

(y) (I) each Submitted Bid from Existing Holders specifying such lowest rate and (II) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the principal amount of 2000 Series A Bonds subject to such Submitted Bids; and

(z) (I) each Submitted Bid from Potential Holders specifying such lowest rate and (II) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

would result in such Existing Holders described in clause (y) above continuing to hold an aggregate principal amount of 2000 Series A Bonds which, when added to the aggregate principal amount of 2000 Series A Bonds to be purchased by such

Potential Holders described in clause (z) above, would be not less than the Available Auction Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to Section 2.14(e)(i), the Auction Agent by telecopy, confirmed in writing, shall advise the Company and the Trustee of the Maximum Dutch Auction Rate and the Minimum Dutch Auction Rate and the components thereof on the Auction Date and, based on such determinations, the Dutch Auction Rate for the next succeeding Auction Period as follows:

(A) if Sufficient Clearing Bids exist, that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the Winning Bid Rate so determined;

(B) If Sufficient Clearing Bids do not exist (other than because all of the 2000 Series A Bonds are the subject of Submitted Hold Orders), that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the Maximum Dutch Auction Rate; and

(C) If all of the 2000 Series A Bonds are subject to Submitted Hold Orders, that the Dutch Auction Rate for the next succeeding Auction Period therefor shall be equal to the Minimum Dutch Auction Rate.

(f) Dutch Auction Rate Period: Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Auction Bonds. During a Dutch Auction Rate Period, Existing Holders shall continue to hold the principal amounts of 2000 Series A Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to Section 2.14(e)(i), the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other actions as are set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of Section 2.14(f)(iv) and (v), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bids;

(D) each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bid, unless the aggregate principal amount of 2000 Series A Bonds subject to all such Submitted Bids shall be greater than the principal amount of 2000 Series A Bonds (the "remaining principal amount") equal to the excess of the Available Auction Bonds over the aggregate principal amount of the 2000 Series A Bonds subject to Submitted Bids described in paragraphs (B) and (C) of this subsection (i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of 2000 Series A Bonds subject to such Submitted Bid, but only in an amount equal to the principal amount of 2000 Series A Bonds obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of 2000 Series A Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of 2000 Series A Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of 2000 Series A Bonds obtained by multiplying the excess of the Available Auction Bonds over the aggregate principal amount of 2000 Series A Bonds subject to Submitted Bids described in paragraphs (B), (C) and (D) of this subsection (i) by a fraction the numerator of which shall be the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amount of 2000 Series A Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the 2000 Series A Bonds are subject to Submitted Hold Orders), subject to the provisions of Section 2.14(f)(iv), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders, Submitted Bids specifying any rate that is equal to or lower than the Maximum Dutch Auction Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bids;

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Dutch Auction Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of 2000 Series A Bonds subject to such Submitted Bids; and

(C) Each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Dutch Auction Rate and the Submitted Sell Orders of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the 2000 Series A Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of 2000 Series A Bonds obtained by multiplying the aggregate principal amount of 2000 Series A Bonds subject to Submitted Bids described in paragraph (B) of this subsection (ii) by a fraction, the numerator of which shall be the aggregate principal amount of 2000 Series A Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Auction Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all 2000 Series A Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in Section 2.14(f)(i) or (ii), any Existing Holder would be required to sell, or any Potential Holder would be required to purchase, a principal amount of 2000 Series A Bonds that is not equal to \$50,000 or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of such 2000 Series A Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount purchased or sold by each Existing Holder or Potential Holder shall be equal to \$50,000 or an integral multiple thereof.

(v) If, as a result of the procedures described in Section 2.14(f)(i), any Potential Holder would be required to purchase less than \$50,000 in aggregate principal amount of 2000 Series A Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate 2000 Series A Bonds for purchase among Potential Holders so that only 2000 Series A Bonds in principal amounts of \$50,000 or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any 2000 Series A Bonds.

(vi) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amounts of 2000 Series A Bonds to be purchased and the aggregate principal amounts of 2000 Series A Bonds to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker Dealer, to the extent that such amounts differ, determine to which

other Broker-Dealer or Broker-Dealers acting for one or more purchasers of 2000 Series A Bonds such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of Auction Bonds such Broker-Dealer shall receive, as the case may be, 2000 Series A Bonds.

(vii) None of the Issuer, the Company or any Affiliate thereof may submit an Order in any Auction except as set forth in the next sentence. Any Broker-Dealer that is an Affiliate of the Company or the Issuer may submit Orders in an Auction but only if such Orders are not for its own account, except that if such affiliated Broker-Dealer holds 2000 Series A Bonds for its own account, it must submit a Sell Order on the next Auction Date with respect to such 2000 Series A Bonds. The Auction Agent shall have no duty or liability with respect to monitoring or enforcing the provisions of this paragraph.

(g) DTC Required During Dutch Auction Rate Mode; Limitations on Transfer.

(i) Except as otherwise provided in this Section 2.14(g), the 2000 Series A Bonds bearing interest at the Dutch Auction Rate shall be registered in the name of DTC or its nominee and ownership thereof shall be maintained in book-entry-only form by DTC for the account of the Agent Members thereof.

(ii) If at any time DTC notifies the Issuer and the Company that it is unwilling or unable to continue as owner of 2000 Series A Bonds or if at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to DTC is not appointed by the Issuer at the direction of the Company, the Trustee, the Auction Agent and the Market Agent, within 90 days after the Issuer and the Company receive notice or become aware of such condition, as the case may be, the Issuer shall execute and the Trustee shall authenticate and deliver certificates representing the 2000 Series A Bonds. 2000 Series A Bonds issued pursuant to this Section 2.14(g)(ii) shall be registered in such names and authorized denominations as DTC, pursuant to instructions from the Agent Members or otherwise, shall instruct the Issuer and the Trustee. The Trustee shall deliver the 2000 Series A Bonds to the persons in whose names such 2000 Series A Bonds are so registered on the Business Day immediately preceding the first day of an Auction Period.

So long as the ownership of the 2000 Series A Bonds is maintained in book-entry-only form by DTC, an Existing Holder may sell, transfer or otherwise dispose of 2000 Series A Bonds only pursuant to a Bid or Sell Order placed in an Auction or to or through a Broker-Dealer, provided that, in the case of all transfers other than pursuant to Auctions, such Existing Holder, its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer.

Section 2.15. Early Deposit of Payments.

(a) The deposits required by Section 6.03 to pay principal of and interest on the 2000 Series A Bonds shall be made, during a Dutch Auction Rate Period, no later than 12:00 noon (New York City time) on the Business Day next preceding each Interest Payment Date in funds available

on the next Business Day in the City of New York. In the event such deposit is not made in accordance with this Section 2.17(a), the Trustee shall promptly send a certificate to such effect to the Auction Agent and to DTC by telecopy or similar means. In the event such deposit is not made as provided in the first sentence of this subparagraph (a), then if such deposit is made within three Business Days of the Business Day immediately preceding the Interest Payment Date, the Trustee shall promptly send a certificate to such effect to the Auction Agent and to DTC by telecopy or similar means.

(b) The deposit required by Section 4.01(l) to pay the redemption price of the 2000 Series A Bonds in accordance with Section 9.01(b) shall be made, during a Dutch Auction Rate Period, (A) no later than 12:00 noon (New York City time) on the second Business Day preceding each redemption date in funds available on the next Business Day in the City of New York. In the event such deposit is not made in accordance with this Section 2.17(b), the Trustee shall immediately send a certificate to such effect to the Auction Agent by telecopy or similar means. In the event such deposit is not made as provided in the first sentence of this subparagraph (b), then if such deposit is made within three Business Days of the second Business Day immediately preceding the redemption date the Trustee shall promptly send a certificate to such effect to the Auction Agent by telecopy or similar means.

Section 2.17. Calculation of Maximum Dutch Auction Rate, Minimum Dutch Auction Rate and Overdue Rate. The Auction Agent shall calculate the Maximum Dutch Auction Rate and the Minimum Dutch Auction Rate on each Auction Date. If the ownership of the 2000 Series A Bonds is no longer maintained in book-entry-only form by DTC, the Auction Agent shall calculate the Maximum Dutch Auction Rate on the Business Day immediately preceding the first day of each Auction Period commencing after the delivery of certificates representing the 2000 Series A Bonds pursuant to Section 2.14(g). If a Failure to Deposit or Event of Default shall have occurred, the Trustee, upon notice thereof, shall calculate the Overdue Rate on the first day of each Auction Period commencing after the occurrence of such Failure to Deposit or Event of Default to and including the Auction Period, if any, commencing less than two Business Days after all such Failure to Deposit and Events of Default are cured.

Section 2.18. CUSIP Numbers. The 2000 Series A Bonds may bear "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the 2000 Series A Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the 2000 Series A Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the "CUSIP" numbers.

ARTICLE III

PURCHASE AND REMARKETING OF 2000 SERIES A BONDS

Section 3.01. Purchase of 2000 Series A Bonds.

(a) Purchase of 2000 Series A Bonds on Demand of Owner.

(i) During Daily Rate Period. (vi) Notwithstanding any other provision of this Section 3.01(a), the Registered Owner of a 2000 Series A Bond may demand purchase of a portion of such 2000 Series A Bond only if the portion to be purchased and the portion to be retained by such Registered Owner each will be in an Authorized Denomination.

(b) Mandatory Purchases of 2000 Series A Bonds.

(i) Mandatory Purchase on All Conversion Dates or Change by Company in Long Term Rate Period. The 2000 Series A Bonds shall be subject to mandatory purchase at a purchase price equal to the principal amount thereof, plus if the Interest Rate Mode is the Long Term Rate, the redemption premium, if any, which would be payable under Article IV, if the 2000 Series A Bonds were redeemed on the Purchase Date (A) on each Conversion Date for any Conversion and (B) on the effective date of any change in the Long Term Rate Period by Company pursuant to Section 2.02(d)(ii). Such purchase will be required even if the change in the Long Term Rate Period or the Conversion is cancelled pursuant to Sections 2.02(d)(iv) or 2.02(e)(iv).

(ii) Mandatory Purchase on Each Interest Payment Date for Flexible Rate Period. Whenever the Interest Rate Mode for the 2000 Series A Bonds is the Flexible Rate, each 2000 Series A Bond shall additionally be subject to mandatory purchase, without prior notice, at a purchase price equal to the principal amount thereof, without premium, on each Interest Payment Date that interest on such 2000 Series A Bond is payable at an interest rate determined for the Flexible Rate.

(iii) (a) Mandatory Purchase on Day After the End of Semi-Annual, Annual and Long Term Rate Periods. Whenever the Interest Rate Mode for the 2000 Series A Bonds is the Semi-Annual Rate Period, the Annual Rate Period or the Long Term Rate Period, each 2000 Series A Bond shall be subject to mandatory purchase at a purchase price equal to the principal amount thereof, without premium, plus accrued interest, if any, on the first Business Day after the end of the Semi-Annual Rate Period, the Annual Rate Period and the Long Term Rate Period, respectively.

(b) The Bond Registrar shall notify in writing the Bondholders whose 2000 Series A Bonds are subject to mandatory purchase at least 30 days prior to the end of each Semi-Annual Rate Period, Annual Rate Period or Long Term Rate Period that the subject 2000 Series A Bonds will be purchased on the Business Day following the end of such Semi-Annual Rate Period, Annual Rate Period or Long Term Rate Period and that if any owner shall fail to deliver a 2000 Series A Bond for purchase with an appropriate instrument of transfer to the Tender Agent for

purchase on said date, and if the Tender Agent is in receipt of the purchase price therefor, any such 2000 Series A Bond not delivered shall nevertheless be deemed purchased on such date and shall cease to accrue interest on and from such date; provided, however, that no such notice need be given if the Bond Registrar has mailed a notice to the affected Bondholders pursuant to either Section 2.02(d)(iii) or Section 2.02(e)(iii). No notice of mandatory purchase following the end of a Flexible Rate Period shall be required to be given to the Bondholders.

(c) Payment of Purchase Price. The purchase price of any 2000 Series A Bond purchased pursuant to Section 3.01 (and delivery of a replacement 2000 Series A Bond in exchange for the portion of any 2000 Series A Bond not purchased if such 2000 Series A Bond is purchased in part only) shall be payable on the Purchase Date upon delivery of such 2000 Series A Bond to the Tender Agent on such Purchase Date; provided that such 2000 Series A Bond must be delivered to the Tender Agent at or prior to 12:00 noon (New York City time) (at or prior to 1:00 p.m. (New York City time) in the case of 2000 Series A Bonds delivered for purchase during a Daily Rate Period and at or prior to 11:00 a.m. (New York City time) in the case of 2000 Series A Bonds delivered for purchase during a Semi-Annual Rate Period, Annual Rate Period or Long Term Rate Period) for payment by the close of business on the date of such purchase; provided, however, that if the date of such purchase is not a Business Day, the purchase price shall be payable on the next succeeding Business Day.

Any 2000 Series A Bond delivered for payment of the purchase price shall be accompanied by an instrument of transfer thereof in form satisfactory to the Tender Agent executed in blank by the Registered Owner thereof and with all signatures guaranteed. The Tender Agent may refuse to accept delivery of any 2000 Series A Bond for which an instrument of transfer satisfactory to it has not been provided and shall have no obligation to pay the purchase price of such 2000 Series A Bond until a satisfactory instrument is delivered.

If the Registered Owner of any 2000 Series A Bond (or portion thereof) that is subject to purchase pursuant to this Article fails to deliver such 2000 Series A Bond with an appropriate instrument of transfer to the Tender Agent for purchase on the Purchase Date, and if the Tender Agent is in receipt of the purchase price therefor, such 2000 Series A Bond (or portion thereof) shall nevertheless be deemed purchased on the Purchase Date thereof. Any Registered Owner who so fails to deliver such 2000 Series A Bond for purchase on (or before) the Purchase Date shall have no further rights thereunder, except the right to receive the purchase price thereof from those moneys deposited with the Tender Agent in the Purchase Fund pursuant to Section 3.03 hereof upon presentation and surrender of such 2000 Series A Bond to the Tender Agent properly endorsed for transfer in blank with all signatures guaranteed. The Tender Agent shall, as to any 2000 Series A Bonds which have not been delivered to it, promptly notify the Remarketing Agent, Trustee, and the Bond Registrar of such nondelivery. Upon receipt of such notification, the Bond Registrar shall place a stop transfer against an appropriate amount of Bonds registered in the name of the Registered Owner(s) on the Bond Register, commencing with the lowest serial number 2000 Series A Bond registered in the name of such Registered Owner(s) (until stop transfers have been placed against an appropriate amount of 2000 Series A Bonds) until the appropriate purchased 2000 Series A Bonds are surrendered to the Tender Agent.

The Tender Agent shall hold all 2000 Series A Bonds delivered pursuant to this Section 3.01 in trust for the benefit of the Registered Owners thereof until moneys representing the purchase price of such 2000 Series A Bonds shall have been delivered to or for the account of or to the order of such Registered Owners, and thereafter shall make available to be delivered to the purchasers thereof by the Remarketing Agent, replacement 2000 Series A Bonds, prepared by the Bond Registrar in accordance with the directions of the Remarketing Agent and authenticated by an Authenticating Agent for delivery to such purchasers.

Section 3.02. Remarketing of 2000 Series A Bonds.

(a) Upon the receipt by the Remarketing Agent of any notice pursuant to Section 3.01(a), the Remarketing Agent, subject to the terms of the Remarketing Agreement, shall use its best efforts to offer for sale and sell the 2000 Series A Bonds in respect of which such notice has been given. Unless otherwise instructed by Company, the Remarketing Agent, subject to the terms of the Remarketing Agreement, shall use its best efforts to offer for sale and sell any 2000 Series A Bonds to be purchased pursuant to Section 3.01(b). Any such 2000 Series A Bonds shall be offered: (i) at a price equal to the principal amount thereof, plus interest accrued, if any, to the Purchase Date, and (ii) pursuant to terms calling for payment of the purchase price on such Purchase Date against delivery of such 2000 Series A Bonds. The Remarketing Agent, the Paying Agent, Trustee, the Bond Registrar, or the Tender Agent may purchase any 2000 Series A Bonds offered pursuant to this Section 3.02 for its own account.

(b) The Remarketing Agent shall, subject to the terms of the Remarketing Agreement and at the direction of Company, use its best efforts to offer for sale and sell, on behalf of Company, at the direction of Company, any 2000 Series A Bonds held for the Company by the Tender Agent pursuant to Section 3.04(a)(ii)(A). Any such 2000 Series A Bonds shall be offered at the best available price, plus interest accrued to the sale date; provided that if such price is other than a price equal to the principal amount of such 2000 Series A Bonds, plus interest accrued to the sale date, there must be delivered to Issuer, Trustee, the Bond Registrar, the Tender Agent, Company and the Remarketing Agent, an opinion of Bond Counsel to the effect that offering such 2000 Series A Bonds at a price other than a price equal to the principal amount thereof plus interest accrued to the sale date will not adversely affect the exclusion from gross income of interest on the 2000 Series A Bonds for federal income tax purposes.

(c) The Remarketing Agent shall advise the Tender Agent of the principal amount of 2000 Series A Bonds which have been remarketed, together with the denominations and registration instructions (including taxpayer identification numbers) in accordance with the following schedule (all times of which are New York City time):

Section 3.03. Purchase Fund; Purchase of 2000 Series A Bonds Delivered to Tender Agent.

(a) There is hereby established with the Tender Agent a fund known as the Purchase Fund, the moneys in which shall be used solely to pay the purchase price of 2000 Series A Bonds purchased pursuant to Section 3.01 hereof. The Purchase Fund shall be maintained as a separate and segregated fund and any moneys held therein shall not be commingled with any other funds of the Tender Agent, shall be held on and after any Purchase Date solely for the benefit of the Registered Owners of 2000 Series A Bonds purchased on such Purchase Date pursuant to Section 3.01 hereof, shall not secure any other 2000 Series A Bonds or be available for any purpose except as described in this paragraph and shall not be invested. Neither Issuer nor Company shall have any interest in the Purchase Fund, except as set forth herein.

(b) There shall be deposited into the Purchase Fund from time to time the following:

(i) such moneys representing proceeds (exclusive of any premium) from the resale by the Remarketing Agent of 2000 Series A Bonds, as described in Section 3.02(a) hereof, delivered by the Remarketing Agent to the Tender Agent pursuant to Section 3.06 hereof and deposited directly therein; and

(ii) such money (A) furnished by Trustee or the Paying Agent directly to the Tender Agent at the direction of the Company or (B) otherwise paid by Company directly to the Tender Agent, and deposited by the Tender Agent directly into, and held in, the Purchase Fund.

To the extent that the Tender Agent has received proceeds in accordance with clauses (b)(i) and (b)(ii) above in excess of the aggregate amount necessary to purchase the 2000 Series A Bonds as tendered, the Tender Agent shall promptly (and in any event no later than the close of business of Company on the day the deposit is made) return the excess to Company.

(c) On each date 2000 Series A Bonds are to be purchased pursuant to Section 3.01, such 2000 Series A Bonds shall be purchased from the Registered Owners thereof. Funds for the payment of such purchase price shall be derived from the following sources:

(i) Proceeds (exclusive of any premium) of the remarketing of such 2000 Series A Bonds pursuant to Section 3.02(a) and furnished to the Tender Agent by the Remarketing Agent and deposited directly into, and held in, the Purchase Fund; and

(ii) Moneys paid by Company to pay the purchase price to the Tender Agent. Anything herein to the contrary notwithstanding, the Tender Agent shall not be obligated to use its own funds to purchase any 2000 Series A Bonds hereunder.

Section 3.04. Delivery of Remarketed or Purchased 2000 Series A Bonds.

(a) 2000 Series A Bonds purchased pursuant to Section 3.03 shall be delivered as follows:

(i) 2000 Series A Bonds sold by the Remarketing Agent to persons or entities other than Company, its affiliates and Issuer shall be delivered by the Remarketing Agent to the purchasers thereof.

(ii) 2000 Series A Bonds purchased solely with moneys described in Section 3.03(c)(ii) shall, at the direction of Company, be (A) delivered to or held by the Tender Agent for the account of Company, (B) delivered to the Bond Registrar for cancellation or (C) delivered to Company.

(b) If, on any date prior to the release of 2000 Series A Bonds held by or for the account of Company pursuant to Section 3.04(a)(ii), all 2000 Series A Bonds are called for redemption pursuant to Article IV or an acceleration of the 2000 Series A Bonds pursuant to Article IX occurs, such 2000 Series A Bonds shall be deemed to have been paid and shall thereupon be delivered to and cancelled by the Bond Registrar.

Section 3.05. Sources of Payment.

(a) If the Interest Rate Mode for the 2000 Series A Bonds is not the Flexible Rate or the Daily Rate, then, if the Tender Agent has not been notified by the Remarketing Agent pursuant to Section 3.02(c) that the Remarketing Agent has remarketed enough 2000 Series A Bonds such that sufficient moneys will be available in the Purchase Fund to pay the purchase price on the 2000 Series A Bonds to be purchased on such Purchase Date, at or prior to 10:30 a.m. (New York City time) on such Purchase Date, the Tender Agent shall, by Electronic Notice, request additional funds from Company in a manner so as to furnish immediately available funds by 3:00 p.m. (New York City time) on such Purchase Date, in an amount sufficient, together with moneys already on deposit in the Purchase Fund and available for such purchase, to enable the Tender Agent to pay the purchase price of such 2000 Series A Bonds to be purchased on such Purchase Date, and the

Company shall either pay the requested amount or cause the requested amount to be paid directly to the Tender Agent which shall deposit those moneys directly into the Purchase Fund.

(b) If the Interest Rate Mode for the 2000 Series A Bonds is the Flexible Rate, then at or prior to 1:30 p.m. (New York City time) on each Purchase Date, the Tender Agent shall, by Electronic Notice, notify the Paying Agent of the amount of 2000 Series A Bonds it has delivered to the Remarketing Agent for which it has received from the Remarketing Agent a receipt or other instrument constituting the obligation of the Remarketing Agent to deliver remarketing proceeds pursuant to Section 3.03 of the Indenture, such obligation being conditioned on verification by the Remarketing Agent that such 2000 Series A Bonds conform to the instructions contained in the notice given to the Tender Agent by the Remarketing Agent regarding denominations, registration instructions, the Flexible Rate and the Flexible Rate Period for each such 2000 Series A Bond. Except to the extent the Tender Agent is informed pursuant to the foregoing Electronic Notice that the Tender Agent will receive amounts from the Remarketing Agent sufficient to pay the purchase price of such 2000 Series A Bonds, the Tender Agent shall by 1:30 p.m. (New York City time) request additional funds from Company in a manner so as to furnish immediately available funds by 4:30 p.m. on such Purchase Date, in an amount sufficient, together with moneys already on deposit or expected to be on deposit in the Purchase Fund and available for such purchase, to enable the Tender Agent to pay the purchase price of such 2000 Series A Bonds to be purchased on such Purchase Date. Company shall either pay the requested amount to the Tender Agent or shall cause such amount to be paid directly to the Tender Agent, which, in either case, shall deposit those moneys directly into the Purchase Fund.

(c) If the Interest Rate Mode for the 2000 Series A Bonds is the Daily Rate, then, if the Tender Agent has not been notified by the Remarketing Agent pursuant to Section 3.02(c) that the Remarketing Agent has remarketed enough 2000 Series A Bonds such that sufficient moneys will be available in the Purchase Fund to pay the purchase price on the 2000 Series A Bonds to be purchased on such Purchase Date, at or prior to 1:00 p.m. (New York City time) on such Purchase Date, the Tender Agent shall, by Electronic Notice, request additional funds from Company in a manner so as to furnish immediately available funds by 3:00 p.m. (New York City time) on such Purchase Date, in an amount sufficient, together with moneys already on deposit in the Purchase Fund and available for such purchase, to enable the Tender Agent to pay the purchase price of such 2000 Series A Bonds to be purchased on such Purchase Date. The Company shall either pay the requested amount or cause the requested amount to be paid directly to the Tender Agent which shall deposit those moneys directly into the Purchase Fund.

(d) Notwithstanding the preceding paragraphs (a), (b) and (c) hereof, to the extent that any deficiency in purchase price payments results from the Remarketing Agent's failure to deliver remarketing proceeds of all 2000 Series A Bonds which the Remarketing Agent notified the Tender Agent were remarketed, Company shall not be obligated to deliver the funds referred to in the preceding paragraphs (a), (b) and (c) hereof until the opening of business on the next succeeding Business Day, in which case failure of the Tender Agent to make such payment until such next succeeding Business Day shall not constitute an event of default hereunder. If sufficient funds are not available for the purchase of all tendered 2000 Series A Bonds, no purchase of 2000 Series A Bonds will be consummated, but the failure to consummate such purchase will not be deemed to be

an event of default hereunder if sufficient funds have been provided in a timely manner by Company to the Tender Agent for such purpose.

Section 3.06. Delivery of Proceeds of Sale. The proceeds of the remarketing of any 2000 Series A Bonds by the Remarketing Agent shall be delivered by the Remarketing Agent directly to the Tender Agent no later than 2:00 p.m. (New York City time) on the Purchase Date therefor except that such proceeds shall, if the Interest Rate Mode is, or is being converted to, the Flexible Rate, be delivered to the Tender Agent no later than 3:00 p.m. (New York City time) on the Purchase Date and all such remarketing proceeds shall be deposited directly into the Purchase Fund.

If any Company Bonds held by the Tender Agent for the account of Company pursuant to Section 3.04(a)(ii)(A) are remarketed by the Remarketing Agent pursuant to Section 3.02(b), then the proceeds received from such remarketing shall be remitted by the Tender Agent to Company.

Section 3.07. Limitations on Purchase and Remarketing. Anything in this Indenture to the contrary notwithstanding, there shall be no purchase of 2000 Series A Bonds pursuant to Section 3.01(a) if there shall have occurred and be continuing an event of default under Section 9.01(a), (b) or (e) and notice of such event of default has been provided as required by Article IX hereof, and there shall be no remarketing of 2000 Series A Bonds pursuant to Section 3.02 if there shall have occurred and be continuing an event of default under Section 9.01(a) or (b) hereof.

(3) Additional Optional Redemption.

Section 4.02. Notice of Redemption.

(1) Except as provided in (2) below after having been given reasonable notice, Trustee shall, upon being satisfactorily indemnified as to expenses, cause notice of the call for any redemption, identifying the 2000 Series A Bonds or portions thereof, in Authorized Denominations to be redeemed to be sent by first class mail (postage prepaid) (i) at least thirty (30) days and not in excess of sixty (60) days in the case of 2000 Series A Bonds bearing interest at the Semi-Annual Rate, the Annual Rate or the Long Term Rate and (ii) at least fifteen (15) days and not in excess of sixty (60) days in the case of 2000 Series A Bonds bearing interest at the Dutch Auction Rate, Daily Rate, Weekly Rate or Flexible Rate, in each case prior to the redemption date to the Registered Owner of each 2000 Series A Bond to be redeemed.

(2) Notwithstanding the foregoing, in the case of mandatory redemption of the 2000 Series A Bonds pursuant to Section 10.3(b) of the Agreement and Section 4.01(2) of the Indenture, Trustee shall (if it has received the notice referred to in Section 4.7 of the Agreement) upon being satisfactorily indemnified as to expenses, cause a notice of the call for redemption to be sent by first class mail (postage prepaid), to all Registered Owners of 2000 Series A Bonds at least ten days before the redemption date.

(3) Any notice mailed as provided in this Section 4.02 shall be conclusively presumed to have been duly given, irrespective of whether the Registered Owner receives the notice. Failure to give such notice by mailing or any defect therein in respect of any 2000 Series A Bond shall not affect the validity of any proceedings for the redemption of any other 2000 Series A Bond. All 2000 Series A Bonds so called for redemption will cease to bear interest after the date fixed for redemption provided funds for their redemption are on deposit at the place of payment at that time.

Section 4.03. Cancellation. All 2000 Series A Bonds which have been redeemed shall not be reissued but shall be cancelled by Trustee.

Section 4.04. Redemption Payments. On or prior to the date fixed for redemption of 2000 Series A Bonds, funds shall be deposited by or on behalf of Issuer with Trustee in the Bond Fund to pay, and Trustee is hereby authorized and directed to apply any such funds to the payment of, the 2000 Series A Bonds or portions thereof called for redemption, together with accrued interest thereon to the redemption date and any required premium. Upon the giving of notice if, on such redemption date, funds sufficient for the payment of principal, premium, if any, and accrued interest to date of redemption are on deposit with the Trustee for such purposes, interest on the 2000 Series A Bonds or portions thereof so called for redemption shall cease to accrue after the date fixed for redemption. No payment of principal, premium or interest shall be made by Trustee upon any 2000 Series A Bond or portion thereof called for redemption until such 2000 Series A Bond or portion thereof shall have been delivered to Trustee for payment or cancellation or Trustee shall have received the items required by Section 2.09 hereof with respect to any mutilated, lost, stolen or destroyed 2000 Series A Bond.

Section 4.05. Partial Redemption of 2000 Series A Bonds. Pursuant to Section 4.01 hereof, a portion of any 2000 Series A Bond may be redeemed, but 2000 Series A Bonds shall be redeemed only in an Authorized Denomination. Upon surrender of any 2000 Series A Bond for redemption in part only, Issuer shall execute and Trustee shall authenticate and deliver to the holder thereof, at the expense of Company, a new 2000 Series A Bond or 2000 Series A Bonds of Authorized Denomination in aggregate principal amount equal to the unredeemed portion of the 2000 Series A Bond surrendered.

Section 4.06 No Partial Redemption After Default. Anything in this Indenture or the Agreement to the contrary notwithstanding, if there shall have occurred and be continuing an event of default described in Section 9.01 hereof, there shall be no redemption of less than all of the 2000 Series A Bonds at the time outstanding.

Section 4.07 Company Direction of Optional Redemption. Issuer shall direct Trustee and Bond Registrar to call 2000 Series A Bonds for optional redemption only when it shall have been notified by Company to do so. Notice of any optional redemption to the Bond Registrar shall specify the principal amount of 2000 Series A Bonds to be redeemed and the redemption date. Company will give the notice to the Bond Registrar and Trustee at least 15 days but not more than 90 days prior to the day on which the Bond Registrar is required to give notice of such optional redemption to the Bondholders.

Section 4.08 Selection of 2000 Series A Bonds to be Called for Redemption. Except as otherwise provided herein or in the 2000 Series A Bonds, if less than all the 2000 Series A Bonds are to be redeemed, the particular 2000 Series A Bonds to be called for redemption shall be selected by lot by the Bond Registrar; provided, however, that in connection with any redemption of 2000 Series A Bonds the Bond Registrar shall first select for redemption any 2000 Series A Bonds held pursuant to Section 3.04(a)(ii) and that if, as stated in a certificate of a Company Representative delivered to the Bond Registrar, Company shall have offered to purchase all 2000 Series A Bonds then Outstanding and less than all of such 2000 Series A Bonds shall have been tendered to Company for such purchase, the Bond Registrar, at the direction of a Company Representative, which direction shall specifically identify those 2000 Series A Bonds which have not been so tendered to Company, shall select for redemption all such 2000 Series A Bonds which have not been so tendered. The Bond Registrar shall treat any 2000 Series A Bond of a denomination greater than the minimum Authorized Denomination for the Interest Rate Mode then applicable to the 2000 Series A Bonds as representing that number of separate 2000 Series A Bonds each of that minimum Authorized Denomination (and, if any 2000 Series A Bond is not in a denomination that is an integral multiple of the minimum Authorized Denomination for such Interest Rate Mode, one separate 2000 Series A Bond of the remaining principal amount of the 2000 Series A Bond) as can be obtained by dividing the actual principal amount of such 2000 Series A Bond by that minimum Authorized Denomination; provided that no 2000 Series A Bond shall be redeemed in part if it results in the unredeemed portion of the 2000 Series A Bond being in a principal amount other than an Authorized Denomination.

Section 4.09. Additional Matters Regarding Notices of Redemption.

(a) Notices for the call for redemption of 2000 Series A Bonds shall be prepared by the Trustee at the expense of Company and in the name of the Issuer and shall identify (i) the complete official name of the issue, (ii) the 2000 Series A Bonds or portions thereof to be redeemed by designation, letters, CUSIP numbers, numbers or other distinguishing marks, interest rate, maturity date and principal amount, (iii) the redemption price to be paid, (iv) the date fixed for redemption, (v) the place or places, by name and address, where the amounts due upon redemption are payable and (vi) the name and telephone number of the person to whom inquiries regarding the redemption may be directed; provided, however, that the failure to identify a CUSIP number for said 2000 Series A Bonds in the redemption notice, or the inclusion of an incorrect CUSIP number, shall not affect the validity of such redemption notice.

The notice also shall be attached by the Tender Agent to any 2000 Series A Bond which is tendered for purchase and remarketed in the period between the mailing of such notice and the date

set for redemption. A second notice shall be sent in the same manner prescribed by Section 4.02 not more than 60 days after the redemption date to the Registered Owner of any redeemed 2000 Series A Bond which was not presented for payment on the redemption date. Failure to receive notice pursuant to this Section, or any defect in that notice, as to any 2000 Series A Bond shall not affect the validity of the proceedings for the redemption of any 2000 Series A Bond. Notices of redemption shall also be mailed to Trustee, the Remarketing Agent, the Tender Agent and the Paying Agents.

(b) The Bond Registrar shall take the following additional actions with respect to such redemption notice, but no defect in the following actions or any failure to take the same shall defeat the effectiveness of the foregoing redemption notice:

Section 5.09. Covenants Respecting Arbitrage. Based upon the covenants made by the Company in the Agreement, and in reliance thereon, Issuer covenants that no use will be made of the proceeds of the 2000 Series A Bonds or any funds reasonably expected to be used to pay the 2000 Series A Bonds which will cause the 2000 Series A Bonds or any of them to be arbitrage bonds within the meaning of Section 148 of the Code or which would result in the loss of the exclusion of the interest on such 2000 Series A Bonds from gross income for federal income tax purposes.

Section 5.10. Books and Records. (7) Issuer and Company need not comply with the covenants in (3) through (6), inclusive, of this Section 5.11, if and to the extent that each of them receives a written opinion of Bond Counsel that such failure to comply will not affect adversely the exclusion of interest on the 2000 Series A Bonds from gross income for federal income tax purposes.

ARTICLE VI

REVENUES AND FUNDS

Section 6.01. Source of Payment of 2000 Series A Bonds. The 2000 Series A Bonds herein authorized and all payments by Issuer hereunder are not and shall never become general obligations of Issuer, but are special and limited obligations payable solely and only from revenues and receipts under the Agreement and as authorized by the Act and provided herein; provided, however, that moneys in the Rebate Fund created by Section 6.07 of this Indenture shall be used solely and only as provided in such Section 6.07 and for no other purposes whatsoever and that moneys in the Purchase Fund created by Section 3.03 of this Indenture shall be used solely and only as provided in such Section 3.03 and Section 6.09, respectively, and for no other purposes whatsoever.

The proceeds of the 2000 Series A Bonds will be loaned to Company by Issuer pursuant to the Agreement. The payments made pursuant to the Agreement by Company (other than pursuant to Section 5.1(b), (c) and (d) of the Agreement) are to be remitted directly to Trustee for the account of Issuer and deposited in the Bond Fund (and in the Rebate Fund, if appropriate). Such payments shall be made at such times and in such amounts so as to insure, and are assigned to secure, the prompt payment of the principal of, premium, if any, and interest on the 2000 Series A Bonds and compliance by Company with the covenants set forth in the Agreement.

Section 6.02. Creation of Bond Fund. There is hereby created by Issuer and ordered established with Trustee a trust fund to be designated “Louisville/Jefferson County Metro Government, Kentucky, Pollution Control Revenue Bond Fund, 2000 Series A (Louisville Gas and Electric Company Project),” which shall be used and applied to pay the principal of, premium, if any, and interest on the 2000 Series A Bonds.

Section 6.03. Payments into Bond Fund. There shall be deposited into the Bond Fund all accrued interest, if any, received at the time of the original issuance and delivery of any 2000 Series A Bonds. In addition, there shall be deposited into the Bond Fund, as and when received, (a) all payments made pursuant to Section 5.1(a) of the Agreement and (b) all other moneys received by Trustee under and pursuant to any of the provisions of the Agreement or this Indenture which are required to be deposited into the Bond Fund, or which are accompanied by written directions that such moneys are to be paid into the Bond Fund. Issuer hereby covenants and agrees that so long as any of the 2000 Series A Bonds issued hereunder are outstanding it will deposit, or cause to be paid to Trustee for deposit in the Bond Fund for its account, sufficient sums from payments, revenues and receipts under and pursuant to the Agreement promptly to meet and pay the principal of, premium, if any, and interest on the 2000 Series A Bonds as the same become due and payable, and to this end Issuer covenants and agrees that, should there be an event of default under the Agreement, Issuer shall fully cooperate with Trustee and with the Bondholders to the end of fully protecting the rights and security of the Bondholders. Nothing herein shall be construed as requiring Issuer to operate the Project or to use any funds or revenues from any source whatsoever other than payments, funds and revenues derived from or in accordance with the Agreement.

Section 6.04. Use of Moneys in Bond Fund. All accrued interest on the 2000 Series A Bonds, if any, at the time of their original issuance will be paid from the amounts deposited in the Bond Fund pursuant to the first sentence of Section 6.03 hereof. Except as provided in Section 6.08, Section 6.09 and Section 7.01 hereof, moneys in the Bond Fund shall be used solely and only for the payment of the principal of, premium, if any, and interest on the 2000 Series A Bonds as the same shall become due and payable at maturity, upon redemption or otherwise, and for the payment of the reasonable fees and expenses to which Trustee, Bond Registrar, Tender Agent, Authentication Agent, any Paying Agent or Issuer is entitled pursuant to this Indenture or the Agreement.

Section 6.05. Custody of Bond Fund. The Bond Fund shall be in the custody and control of Trustee but shall be held in the name of Issuer. Issuer hereby authorizes and directs Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the 2000 Series A Bonds and any other amounts payable from the Bond Fund, as the same become due and payable and, if applicable, to make said funds so withdrawn available to any Paying Agent for the purpose of paying said principal of, premium, if any, and interest, which authorization and direction Trustee hereby accepts.

Section 6.06. Rebate Fund; Operation of Rebate Fund.

(1) There is hereby created and ordered maintained as a separate account in the custody and control of Trustee a fund to be designated “Louisville/Jefferson County Metro Government, Kentucky, Pollution Control Revenue Bond Rebate Fund, 2000 Series A (Louisville Gas and Electric Company Project).” Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien created by this Indenture.

(2) Within 15 days after the end of each Computation Period (but only to the extent that any Excess Earnings have been earned during such period) and within 15 days after the payment in full of all outstanding 2000 Series A Bonds (but only to the extent that any Excess Earnings have been earned during such period), (a) Company shall cause to be calculated the amount of Cumulative Excess Earnings as of the end of that Computation Period or the date of such payment and shall notify Trustee in writing of that amount and (b) Trustee shall notify Company of the amount then on deposit in the Rebate Fund. In order for Company to make or cause to be made such computations, Trustee shall make available to Company, promptly upon request, the following information: (a) as to interest and principal, the total amount of interest paid on the 2000 Series A Bonds, the principal amount of 2000 Series A Bonds outstanding during such Computation Period and the amount and date of any payments of principal of 2000 Series A Bonds during such Computation Period; (b) the amount, interest rate and nature of investments held by Trustee hereunder as of the end of such Computation Period and the amount and date of the sale of any investments; (c) the total amount of earnings on such investments during such Computation Period; (d) the total amount of earnings on deposit in the Bond Fund and the Rebate Fund; (e) the amount of deposits (including interest earned) to and disbursements from the Rebate Fund; and (f) such other information reasonably available to Trustee which may be necessary for Company to perform or cause to be performed the computations required by Section 148(f) of the Code and Treasury Regulations thereunder. The Company shall inform the Trustee of the commencement and end of each Computation Period.

(3) If, on any such Computation Date, the amount then on deposit in the Rebate Fund is in excess of the Cumulative Excess Earnings, Trustee, at the written direction of Company, shall forthwith pay that excess amount to Company. If, on any such Computation Date, the amount then on deposit in the Rebate Fund is less than the Cumulative Excess Earnings, Company shall, within 5 days after receipt of the aforesaid notice from Trustee, pay to Trustee for deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Cumulative Excess Earnings. Within 30 days after each Computation Period, Trustee, at the written direction and instruction of Company, acting on behalf of Issuer, shall pay to the United States in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 90% (or such greater percentage not in excess of 100% as Company may direct Trustee to pay) of the Cumulative Excess Earnings. Within 30 days after the payment in full of all outstanding 2000 Series A Bonds, Trustee, at the written direction and instruction of Company, shall pay to the United States in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 100% of the Cumulative Excess Earnings as of the date of such payment and any moneys remaining in the Rebate Fund following such payment shall be paid to Company.

(4) Trustee shall keep such records of the computations made pursuant to this Section as are requested of it by the Company.

(5) Trustee may rely exclusively and conclusively on a certificate of Company or advice of counsel provided to the Trustee by Company with respect to compliance with the aforesaid requirements. If any action is necessary to be taken by Trustee in connection with compliance, such certificate or advice shall specifically advise Trustee as to what action needs to be taken and Trustee

agrees to take said action. The responsibility of Trustee shall be solely to comply with such certification or advice of counsel and Trustee shall have no liability for any determination of taxability or other adverse consequence resulting from any action taken pursuant hereto or thereto.

(6) Each payment of an installment of Excess Earnings required to be paid to the United States of America shall be paid to and filed with the Internal Revenue Service Center, Ogden, Utah 84201. Each such payment shall be accompanied by a copy of Form 8038-T (Arbitrage Rebate) filed with respect to the Bonds. Notwithstanding the foregoing, disbursements of amounts in the Rebate Fund to the United States of America shall at all times be made in amounts and at the times determined at the written direction of the Company pursuant to then applicable Treasury Regulations.

(7) Issuer, Trustee and Company need not comply with the provisions of this Section 6.07 if and to the extent that they receive an opinion of Bond Counsel that such failure to comply will not affect adversely the exclusion of interest on the 2000 Series A Bonds from gross income for federal income tax purposes.

Section 6.07. Non-presentment of 2000 Series A Bonds. In the event any 2000 Series A Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay such 2000 Series A Bond shall have been deposited with Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such 2000 Series A Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds, without liability for interest thereon, for the benefit of the holder of such 2000 Series A Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture on, or with respect to, said 2000 Series A Bond. Trustee's obligation to hold such funds shall continue for a period of two years following the date on which the principal of such 2000 Series A Bonds has become due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time Trustee shall, upon written request of Company, surrender any remaining funds so held to Company (except moneys and funds in the Rebate Fund) provided, however, that before Trustee shall be required to so surrender such funds, Trustee shall, at the expense of Company, cause notice to be given in the manner specified in Section 14.04 hereof to the Registered Owners of such 2000 Series A Bonds to the effect that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such notice, any unclaimed balance of such moneys then remaining will be paid to Company. After the payment of such unclaimed moneys to Company, the Registered Owners of such 2000 Series A Bonds shall thereafter look only to Company for the payment thereof, and all liability of Issuer and Trustee and any Paying Agent with respect to such moneys shall thereupon cease.

Section 6.08. Moneys to be Held in Trust. All moneys required to be deposited with or paid to Trustee for account of the Bond Fund under any provision of this Indenture shall be held by Trustee in trust, and except for moneys deposited with or paid to Trustee for the redemption of 2000 Series A Bonds, notice of the redemption for which has been duly given, shall, while held by Trustee, constitute part of the Trust Estate and be subject to the security interest created hereby.

Section 6.09. Repayment to Company from Bond Fund. Any amounts remaining in the Bond Fund after payment in full of the 2000 Series A Bonds, the reasonable fees, charges and expenses of Trustee, Bond Registrar, Paying Agent and Issuer and all other amounts required to be paid hereunder, shall be paid to Company upon the expiration or upon the sooner termination of the term of the Agreement as provided in Article XI of the Agreement.

ARTICLE VII

INVESTMENTS

Section 7.01. Investment of Bond Fund Moneys, Rebate Fund Moneys and Purchase Fund Moneys. Any and all moneys held as part of the Bond Fund and the Rebate Fund shall be invested or reinvested by Trustee in accordance with the provisions of and limitations imposed by Section 2.2(j) and Section 4.2 of the Agreement. Any obligations acquired by Trustee as a result of such investment or reinvestment shall be held by or under the control of Trustee. Trustee shall always maintain a separate and discrete account in respect of the Rebate Fund and no commingling thereof with other funds and accounts shall be permitted under any circumstances. All moneys invested in respect of a particular fund shall be deemed at all times a part of the fund for which such investments were made, and the interest accruing thereon and any profit realized from such investments shall be credited pro rata to such fund, and any loss resulting from such investment shall be charged pro rata to such fund. Trustee shall sell and reduce to cash a sufficient amount of applicable investments whenever the cash balance in the Bond Fund is insufficient to pay the principal of, premium, if any, and interest on the 2000 Series A Bonds or any other amount payable from the Bond Fund when due or whenever the cash balance in the Rebate Fund is insufficient to pay any required disbursement from the Rebate Fund, respectively. The Rebate Fund shall never be commingled with any other fund or account. The Purchase Fund shall at all times be held uninvested. The Trustee will not be liable for any investment loss (including any loss upon a sale of any investment), fee, tax or other charge in respect of any investments, reinvestments or liquidation of investments made pursuant to this Indenture.

Section 7.02. Arbitrage. Issuer will, prior to the issuance and delivery of the 2000 Series A Bonds, prepare and deliver to Trustee a certificate to support the conclusion that the 2000 Series A Bonds will not be “arbitrage bonds” within the meaning of Section 148 of the Code. In making and delivering such certificate, Issuer may rely upon certificates of Company setting forth facts, circumstances and reasonable expectations which are particularly within the knowledge of Company.

Upon the basis of the certificates to be delivered by Issuer as herein described in connection with the issuance of the 2000 Series A Bonds, it is not expected that the proceeds of the 2000 Series A Bonds will be used in any manner that would cause the 2000 Series A Bonds to be arbitrage bonds under the Code and regulations promulgated thereunder. To the best knowledge and belief of Issuer, there are no facts, estimates or circumstances that would materially change the foregoing conclusion. Trustee will at all times discharge its duties in respect of the Rebate Fund as provided by Section 6.07 hereof.

Section 7.03. Tax Covenants.

(1) In this Section 7.03 unless a different meaning clearly appears from the context:

(a) Reference to a provision of the Code by number or letter includes reference to any law hereafter enacted as amendment to or substitute for such provision;

(b) Words which are used herein and in the Code shall have the meaning given to such words in or pursuant to said Code.

(c) The covenants set forth in clauses (2), (3) and (4) of this Section are made in reliance upon the covenants of Company set forth in the Agreement and other documents to which reference is made.

(2) Issuer shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by Issuer on the 2000 Series A Bonds shall, for the purposes of federal income taxation, be excluded from gross income; provided, however, that Issuer shall not be in default of this covenant solely by reason of the purchase of any 2000 Series A Bonds by a “substantial user” or a “related person” as such terms are used in Section 147(a) of the Code.

(3) Issuer shall not permit at any time or times any of the proceeds of the 2000 Series A Bonds to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any 2000 Series A Bond to be an “arbitrage bond” as defined in Section 148(a) of the Code as then in effect unless, under any valid provision of law hereafter enacted (i) such action would not cause arbitrage bond status to occur, and (ii) the interest paid by Issuer on the 2000 Series A Bonds shall be excludable from the gross income of a recipient thereof for federal income tax purposes without regard to compliance with the provisions of Section 148 of the Code.

(4) In order to assure compliance with this Section 7.03, thereby better securing and protecting the 2000 Series A Bonds and Issuer, Issuer (subject to the provisions of Section 6.07 hereof) from the date of adoption of this Indenture covenants that it shall not:

(a) except during any valid temporary period or as otherwise permitted by the Code, make or cause to be made any investment of 2000 Series A Bond proceeds that produces a yield in excess of such applicable maximum yield with respect to the 2000 Bonds as may be permitted by the Code, and

(b) except during any valid temporary period or as otherwise permitted by the Code, invest or cause Trustee to invest moneys in any fund created by this Indenture in investment obligations that produce a yield in excess of such applicable maximum yield with respect to the 2000 Bonds as may be permitted by the Code.

ARTICLE VIII

DISCHARGE OF INDENTURE

If Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to or for the Registered Owners of the 2000 Series A Bonds, the principal, premium, if any, and interest due or to become due thereon at the times and in the manner stipulated therein, and if Issuer shall not then be in default in any of the other covenants and promises in the 2000 Series A Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, and shall pay or cause to be paid to Trustee and any Paying Agents all sums of money due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, determine and be void, whereupon Trustee shall cancel and discharge the lien of this Indenture and release, assign and deliver unto Issuer any and all the estate, right, title and interest in and to any and all rights assigned to Trustee or otherwise subject to the lien of this Indenture, except amounts in the Bond Fund required to be paid to Company under Section 6.09 hereof and except moneys or securities held by Trustee for the payment of the principal of, premium, if any, and interest on the 2000 Series A Bonds and except for any moneys and investments in the Rebate Fund, which shall be administered in accordance with Section 6.06 hereof.

Any 2000 Series A Bond shall be deemed to be paid within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal of and the applicable redemption premium, if any, on such 2000 Series A Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with Trustee, in trust, and Trustee shall have irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) Governmental Obligations, as defined hereinafter in this Article, maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and (b) all proper fees, compensation and expenses of Trustee, Authenticating Agent, Bond Registrar and any Paying Agent pertaining to the 2000 Series A Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of Trustee. At such time as a 2000 Series A Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations and except that it may continue to be transferred and exchanged in accordance with Article II of this Indenture.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed a payment of such 2000 Series A Bonds as aforesaid until the earlier of: (1) the date on which proper notice of redemption of such 2000 Series A Bonds shall have been previously given in accordance with Article IV of this Indenture, or in the event said 2000 Series A Bonds are not to be redeemed prior to their maturity or are not to be redeemed within the next succeeding 30 days, the date on which Company shall have given Trustee on behalf of Issuer, in

form satisfactory to Trustee, irrevocable instructions to notify, as soon as practicable, the Registered Owners of the 2000 Series A Bonds, in accordance with Article IV hereof, that the deposit required by (a)(ii) above has been made with Trustee and that said 2000 Series A Bonds are deemed to have been paid in accordance with this Article and stating such maturity or redemption date upon which moneys are to be available for the payment of said 2000 Series A Bonds; and (2) the maturity of such 2000 Series A Bonds.

Any moneys so deposited with Trustee as provided in this Article may at the written direction of Company also be invested and reinvested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of Trustee pursuant to this Article which is not required for the payment and discharge of the 2000 Series A Bonds and interest and premium thereon with respect to which such moneys shall have been so deposited, shall, following the actual payment and discharge of any such 2000 Series A Bonds be transferred to and deposited in the Bond Fund for use and application as are other moneys deposited in that fund or if this Indenture has been discharged and all 2000 Series A Bonds issued under this Indenture have been paid, such moneys shall be paid to Company.

Issuer hereby covenants that no deposit will be made or accepted hereunder and/or no use made of any such deposit which would cause the 2000 Series A Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Code.

For the purposes of this Indenture, the term "Governmental Obligations" shall mean any of the following which are non-callable and which at the time of investment are legal investments under the laws of the Commonwealth of Kentucky for the moneys proposed to be invested therein: (i) direct general obligations of, or obligations the payment of the principal and interest of which are unconditionally guaranteed by, the United States of America; (ii) bonds, debentures, or notes issued by any of the following federal agencies: Bank for Cooperatives, Federal Land Banks, or Federal National Mortgage Association (including Participation Certificates); (iii) Public Housing Authority Bonds, Temporary Notes, Project Notes or Preliminary Loan Notes, fully secured by contracts with the United States; or (iv) pre-refunded obligations, the interest on which is excludable from gross income under the Code which are payable in full as to principal, interest and premium, if any, solely and only from irrevocable trusts or escrow accounts pledged solely and only to such purposes and consisting only of obligations of the nature described in clause (i) of this paragraph.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of 2000 Series A Bonds (including interest and premium thereon, if any) shall be applied to and used solely for the payment of the particular 2000 Series A Bonds (including interest and premium thereon, if any) with respect to which such moneys and Governmental Obligations have been so set aside in trust.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Governmental Obligations deposited pursuant to this Article VIII or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding 2000 Series A Bonds.

Anything in Article XII hereof to the contrary notwithstanding, if moneys or Governmental Obligations have been deposited or set aside with Trustee pursuant to this Article for the payment of 2000 Series A Bonds and such 2000 Series A Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the holder of each 2000 Series A Bond affected thereby.

Notwithstanding the foregoing, those provisions relating to the purchase of 2000 Series A Bonds, the maturity of 2000 Series A Bonds, interest payments and dates thereof, and the purchase provisions, and the Trustee's remedies with respect thereto, and provisions relating to exchange, transfer and registration of 2000 Series A Bonds, replacement of mutilated, destroyed, lost or stolen 2000 Series A Bonds, the safekeeping and cancellation of 2000 Series A Bonds, non-presentment of 2000 Series A Bonds, the holding of moneys in trust, and repayments to the Company from the Bond Fund and the duties of the Trustee in connection with all of the foregoing and the fees, expenses and indemnities of the Trustee, shall remain in effect and shall be binding upon the Trustee, the Issuer, the Company and the Bondholders notwithstanding the release and discharge of the lien of this Indenture.

ARTICLE IX

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

Section 9.01. Defaults; Events of Default. If any of the following events occur, subject to the provisions of Sections 9.11 and 9.12 hereof, it is hereby defined as and declared to be and to constitute an “event of default”:

(a) Default in the due and punctual payment of any installment of interest on any 2000 Series A Bond (i) if such 2000 Series A Bond bears interest at other than the Long Term Rate, within a period of one (1) Business Day from due date and (ii) if such 2000 Series A Bond bears interest at the Long Term Rate, within a period of five (5) Business Days from date due;

(b) Default in the due and punctual payment of the principal of, or premium, if any, on any 2000 Series A Bond, whether at the stated maturity thereof, or upon proceedings for redemption, or upon the maturity thereof by declaration or if payment of the purchase price of any 2000 Series A Bond required to be purchased pursuant to Section 3.01 is not made when such payment has become due and payable, provided that no event of default shall have occurred in respect of failure to receive such purchase price for any Series 2000 Series A Bond if the Company shall have complied with Section 3.05(d) hereof;

(c) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of Issuer in this Indenture or in the 2000 Series A Bonds continued for a period of thirty (30) days after written notice by Trustee, unless such failure is capable of being cured and corrective action in respect of such failure is being diligently pursued; or

- (d) The occurrence of an “event of default” under Section 9.1 of the Agreement.

Upon the occurrence of any Event of Default under this Section 9.01, the Trustee shall immediately give Electronic Notice of that Event of Default to the Issuer, the Paying Agent, the Tender Agent, the Market Agent, the Auction Agent and the Remarketing Agent.

No default under subsection (c) above shall constitute an Event of Default until actual notice is given to the Issuer and the Company by the Trustee, or to the Issuer, the Company and the Trustee by the registered owners holding not less than 25% in aggregate principal amount of all 2000 Series A Bonds Outstanding and the Issuer and the Company shall have had thirty days after such notice to correct the default and failed to do so. If the default is such that it cannot be corrected within the applicable period but is capable of being cured, it will not constitute an Event of Default if corrective action is instituted within the applicable period.

Section 9.02. Acceleration.

(a) Upon the occurrence of an event of default, Trustee may and upon the written request of the holders of not less than 25% in aggregate principal amount of 2000 Series A Bonds then Outstanding and receipt of indemnity satisfactory to the Trustee shall, by immediate notice in writing delivered to Issuer and Company, declare the principal of all 2000 Series A Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable; anything in this Indenture or the 2000 Series A Bonds to the contrary notwithstanding, subject however, to the provisions of Section 9.10 hereof. Upon any declaration of acceleration hereunder Issuer and Trustee shall, if not prohibited by applicable law, immediately declare all payments under the Agreement to be immediately due and payable as liquidated damages in accordance with Section 9.2 of the Agreement.

(b) Upon the occurrence of an event of default, Trustee, before or after declaring the principal of the 2000 Series A Bonds immediately due and payable, may, and upon the written request of the holders of not less than 25% in aggregate principal amount of 2000 Series A Bonds then Outstanding and receipt by the Trustee of indemnity satisfactory to it shall, enforce each and every right granted to Issuer under the Agreement for the benefit of the Bondholders. In exercising such rights and the rights given Trustee under this Article IX, Trustee shall take such action as, in the judgment of Trustee applying the standards described in Section 10.01(a) hereof, would best serve the interests of the Bondholders.

Section 9.03. Other Remedies; Rights of Bondholders. Upon the occurrence of an event of default under this Indenture, Trustee may proceed to pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the 2000 Series A Bonds then outstanding, including, without limitation, the following:

- (a) By mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, including the right to require Issuer to enforce any rights under

the Agreement and to require Issuer to carry out any provisions of this Indenture for the benefit of the Bondholders and to perform its duties under the Act;

(b) Bring suit upon the 2000 Series A Bonds;

(c) By action or suit in equity require Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(d) By action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Any judgment against Issuer shall be enforceable only against the specific assigned payments, funds and accounts in the custody of Trustee. There shall not be authorized any deficiency judgment against any assets of, or the general credit of, Issuer.

If an event of default shall have occurred, and if requested so to do by the holders of not less than 25% in aggregate principal amount of all Bonds then Outstanding and being indemnified as provided in Section 10.01(1) hereof, Trustee shall be obligated to exercise one or more of the rights and powers conferred by this Section and by Section 9.02 hereof, as Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default or event of default shall impair any such right or power or shall be construed to be a waiver of any such default or event of default or acquiescence therein; and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any right or remedies consequent thereon.

Section 9.04. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of 2000 Series A Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 9.05. Appointment of Receivers. Upon the occurrence of an event of default under this Indenture, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of Trustee and of the Bondholders under this Indenture, Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 9.06. Waiver by Issuer. Upon the occurrence of an event of default under this Indenture, to the extent that such rights may then lawfully be waived, neither Issuer, nor the Commonwealth of Kentucky nor any political subdivision thereof, nor anyone claiming through or under any of them, shall set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Indenture, and Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 9.07. Application of Moneys. All moneys received by Trustee pursuant to any right given or action taken under the provisions of this Article or received by any Bondholder or receiver or like officer shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by Trustee or Paying Agent, and upon payment of any sums due and payable to the United States pursuant to Section 148(f) of the Code, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied, as follows:

(a) Unless the principal of all the 2000 Series A Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST - To the payment to the persons entitled thereto of all installments of interest then due on the 2000 Series A Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

SECOND - To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the 2000 Series A Bonds which shall have become due (other than 2000 Series A Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on the principal of such 2000 Series A Bonds from the respective dates upon which they became due at one percent above the rate borne by the 2000 Series A Bonds (but in no event higher than the maximum rate permitted by law), until paid (with the same interest rate on overdue installments of premium and interest on such 2000 Series A Bonds to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full 2000 Series A Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

THIRD - To be held for the payment to the persons entitled thereto as the same shall become due of the principal of, premium, if any, and interest on the 2000 Series A Bonds which may thereafter become due either at maturity or upon call for redemption prior to maturity and, if the amount available shall not be sufficient to pay in full 2000 Series A Bonds due on any particular date, together with interest then due and owing thereon, payment shall be made ratably according to the amount of principal due on such date to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the 2000 Series A Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the 2000 Series A Bonds (together with interest on overdue installments of principal and, to the extent permitted by law, interest, in each case at one percent above the highest rate borne by any 2000 Series A Bond, but in no event higher than the maximum rate permitted by law, until paid), without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any 2000 Series A Bond over any other 2000 Series A Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the 2000 Series A Bonds shall have been declared due and payable, and if such declarations shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the 2000 Series A Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal, premium and interest to be paid on such dates shall cease to accrue. Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal of, premium, if any, and interest on all 2000 Series A Bonds have been paid under the provisions of this Section and all expenses and charges of Trustee and any Paying Agents have been paid, and all the liabilities of Company accrued under the Agreement have been paid, any balance remaining in the Bond Fund shall be paid to Company as provided in Section 6.09 hereof.

Section 9.08. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the 2000 Series A Bonds may be enforced by Trustee without the possession of any of the 2000 Series A Bonds or the production thereof in any

trial or proceedings related thereto and any such suit or proceeding instituted by Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiff or defendants any holders of the 2000 Series A Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the holders of the outstanding 2000 Series A Bonds.

Section 9.09. Rights and Remedies of Bondholders. No holder of any 2000 Series A Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless:

(1) a default has occurred of which Trustee has been notified as provided in Section 10.01(h) hereof, or of which by said subsection it is deemed to have notice, nor unless

(2) such default shall have become an event of default and the holders of not less than 25% in aggregate principal amount of 2000 Series A Bonds then outstanding shall have made written request to Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in their own name or names, nor unless they have offered to Trustee indemnity as provided in Section 10.01(1) hereof, nor unless

(3) Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name within a reasonable time.

Such notification, request and offer of indemnity are hereby declared in every case at the option of Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more holders of the 2000 Series A Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the holders of all 2000 Series A Bonds then outstanding.

Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any 2000 Series A Bond at and after the maturity thereof, or the obligation of Issuer to pay the principal of, premium, if any, and interest on each of the 2000 Series A Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner expressed in the 2000 Series A Bonds.

Section 9.10. Termination of Proceedings. In case Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely,

then and in every such case Issuer and Trustee and the Bondholders shall, subject to any determination in such proceeding, be restored to their former positions and rights hereunder, and all rights, remedies and powers of Trustee shall continue as if no such proceedings had been taken.

Section 9.11. Waivers of Events of Default. Trustee may in its discretion waive any default hereunder and its consequences and shall do so upon the written request of the holders of at least a majority in principal amount of all 2000 Series A Bonds then Outstanding.

The provisions of the preceding paragraph of this Section, however, are subject to the condition that if, after the principal of all 2000 Series A Bonds then outstanding shall have been declared to be due and payable as a result of a default hereunder, and before any judgment or decree for the appointment of a receiver or for the payment of the moneys due shall have been obtained or entered, (i) Company shall cause to be deposited with Trustee a sum sufficient to pay all matured installments of interest upon all 2000 Series A Bonds and the principal of and premium, if any, on any and all 2000 Series A Bonds which shall have become due otherwise than by reason of such declaration (with interest upon such principal and premium, if any, and overdue installment of interest, to the extent permitted by law, at the rate per annum which is one percent above the highest rate borne by any 2000 Series A Bond, but in no event higher than the maximum permitted by law, until paid), and such amounts as shall be sufficient to cover all expenses of Trustee in connection with such default and (ii) all defaults under this Indenture, other than nonpayment of principal of 2000 Series A Bonds which shall have become due by said declaration, shall have been remedied, then and in every such case, such default shall be deemed waived and such declaration and its consequences rescinded and annulled by Trustee by written notice to Issuer and Company which waiver, rescission and annulment shall be binding upon the holders of all 2000 Series A Bonds then outstanding; but no such waiver, rescission and annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon.

Section 9.12. Notice of Defaults Under Section 9.01(c); Opportunity of Issuer and Company to Cure Such Defaults. Anything herein to the contrary notwithstanding, no default under Section 9.01(c) hereof shall constitute an event of default until actual notice of such default by registered or certified mail shall be given to Issuer and Company by Trustee or to Issuer, Company and Trustee by the holders of not less than 25% in aggregate principal amount of all 2000 Series A Bonds outstanding and Issuer and Company shall have had thirty days after receipt of such notice to correct said default or to cause said default to be corrected, and unless Issuer or Company shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period but is capable of being cured, it shall not constitute an event of default if corrective action is instituted by Issuer or Company within the applicable period, and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice is given to Issuer and Company under the provisions of this Section, Issuer hereby grants Company full authority for the account of Issuer to perform and observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of Issuer with full power to do any and all things and

acts to the same extent that Issuer could do and perform any such things and acts and with power of substitution.

ARTICLE X

TRUSTEE, BOND REGISTRAR AND PAYING AGENT

Section 10.01. Acceptance of the Trusts. Trustee, Bond Registrar and Paying Agent hereby accept the trusts and duties imposed upon them by this Indenture, and agree to perform said trusts and duties, but only upon and subject to the following express terms and conditions:

(a) Trustee, prior to the occurrence of an event of default (as defined in Section 9.01) under this Indenture and after curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an event of default has occurred (which has not been cured or waived) Trustee shall exercise the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(b) Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation and reasonable expenses (for which it shall be entitled to reimbursement pursuant to Section 10.02) to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture nor for anything whatever in connection with the trust hereunder, except only its own misconduct or negligence or that of its agents, officers and employees. Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for Issuer or Company), approved by Trustee. Trustee shall not be responsible for any loss or damage resulting from any action or non-action reasonably exercised in good faith in reliance upon such opinion or advice.

(c) Trustee, Bond Registrar and Paying Agent shall not be responsible for any recital herein, or in the 2000 Series A Bonds, or for the recording or re-recording, filing or refiling of this Indenture, or any other instrument required by this Indenture to secure the 2000 Series A Bonds, including financing statements, or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the 2000 Series A Bonds issued hereunder or intended to be secured hereby or otherwise as to the maintenance of the security hereof.

(d) Trustee, Bond Registrar and Paying Agent shall not be accountable for the use of any 2000 Series A Bonds authenticated or delivered hereunder. Trustee, Bond

Registrar and Paying Agent may become the Registered Owners of 2000 Series A Bonds secured hereby with the same rights which they would have if not Trustee, Bond Registrar or Paying Agent. To the extent permitted by law, Trustee may also receive tenders and purchase in good faith 2000 Series A Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not Trustee.

(e) Trustee, Bond Registrar and Paying Agent shall be [fully] protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by any of them to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by Trustee, Bond Registrar and Paying Agent pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Registered Owner of any 2000 Series A Bond, shall be conclusive and binding upon all future Registered Owners of the same Bond and upon 2000 Series A Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, Trustee, Bond Registrar and Paying Agent shall be [conclusively] entitled to rely upon a certificate signed by an Issuer Representative or a Company Representative as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which Trustee, Bond Registrar and Paying Agent have been notified as provided in subsection (h) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. Trustee, Bond Registrar and Paying Agent may accept a certificate of the Metro Council Clerk of Issuer under its seal to the effect that an ordinance in the form therein set forth has been adopted by Issuer as conclusive evidence that such ordinance has been duly adopted, and is in full force and effect.

(g) The permissive rights of Trustee, Bond Registrar and Paying Agent to do things enumerated in this Indenture shall not be construed as a duty and they shall not be answerable for other than its negligence or misconduct.

(h) Trustee, Bond Registrar and Paying Agent shall not be required to take notice or be deemed to have notice of any default hereunder except failure by Issuer to cause to be made any of the payments to Trustee required to be made by Article V hereof or the failure of Issuer or Company to file with Trustee, Bond Registrar and Paying Agent any document required by this Indenture or the Agreement to be so filed subsequent to the issuance of the 2000 Series A Bonds, unless Trustee, Bond Registrar and Paying Agent shall be specifically notified in writing of such default by Issuer, by Company or by the holders of at least 25% in aggregate principal amount of 2000 Series A Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to Trustee, Bond Registrar and Paying Agent shall be delivered at the principal offices of

Trustee, Bond Registrar and Paying Agent and, in the absence of such notice so delivered, Trustee may conclusively assume there is no default except as aforesaid.

(i) At any and all reasonable times Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right (but shall be under no obligation to) fully to inspect any and all of the property herein assigned, including all books, papers and records of Issuer pertaining to the Project and the 2000 Series A Bonds, and to take such memoranda therefrom and in regard thereto as may be desired.

(j) Trustee, Bond Registrar and Paying Agent shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, Trustee, Bond Registrar and Paying Agent shall have the right, but shall not be required, to demand, in respect of the authentication of any 2000 Series A Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by Trustee, Bond Registrar and Paying Agent deemed desirable for the purpose of establishing the right of Issuer to the authentication of any 2000 Series A Bonds, the withdrawal of any cash, or the taking of any other action by Trustee, Bond Registrar and Paying Agent.

(l) Before taking the action referred to in Sections 9.02, 9.03, 9.04, 9.07 or 10.04 hereunder, Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses (including reasonable attorneys' fees and expenses), to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default by reason of any action so taken.

(m) All moneys received by Trustee or Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received and shall be segregated from other funds. Neither Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) In the event Trustee shall receive inconsistent or conflicting requests and indemnity from two or more groups of Bondholders, each representing less than a majority of the aggregate principal amount of the 2000 Series A Bonds then Outstanding, Trustee, in its sole discretion, may determine what action, if any, shall be taken.

(o) No provision of this Indenture shall be deemed to require the Trustee, Paying Agent or Bond Registrar to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties, if the Trustee shall

believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 10.02. Fees, Charges and Expenses of Trustee, Bond Registrar and Paying Agent. Trustee, Bond Registrar, Tender Agent and Paying Agent shall be entitled to payment and reimbursement by or on behalf of Issuer for such compensation as shall be agreed to in writing between Trustee, Bond Registrar, Tender Agent, Paying Agent and the Company for their services rendered hereunder and all advances, counsel fees and expenses and all other expenses reasonably made or incurred by Trustee and Paying Agent in connection with such services. Such compensation shall not be limited by any law with respect to compensation of a trustee of an express trust. The Trustee, Bond Registrar, Tender Agent and Paying Agent shall be entitled to indemnification by the Company as set forth in the Agreement. This provision shall survive the termination or discharge of this Indenture. [Upon an event of default (as defined in Section 9.01 hereof) the Trustee, Bond Registrar, Tender Agent and Paying Agent shall have a first right of payment prior to payment on account of the principal and interest due on the 2000 Series A Bonds for payment of the reasonable fees and expenses of such fiduciaries, including reasonable attorneys' fees.]

Section 10.03. Notice to Bondholders of Default. If a default occurs of which Trustee is by Section 10.01(h) hereof required to take notice or if notice of default be given as in Section 10.01(h) provided, then Trustee shall give written notice [within 90 days of its actual knowledge] thereof by registered or certified mail to each Registered Owner of 2000 Series A Bonds then outstanding.

Section 10.04. Intervention by Trustee. In any judicial proceeding to which Issuer or Company is a party and which in the opinion of Trustee and its counsel has a substantial bearing on the interests of Registered Owners of the 2000 Series A Bonds, Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the Registered Owners of at least 25% of the aggregate principal amount of 2000 Series A Bonds then Outstanding. The rights and obligations of Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 10.05. Successor Trustee by Merger or Otherwise. Any corporation or association into which Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, provided such corporation or association is otherwise eligible under Section 10.08 hereof, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges, responsibilities, obligations and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 10.06. Resignation by Trustee. Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to Issuer and Company, and by first class mail to

each registered owner of 2000 Series A Bonds then outstanding. In addition, Trustee shall give written notice of its resignation to each Registered Owner of 2000 Series A Bonds by first class mail and by registered mail to the Company, the Tender Agent, the Remarketing Agent and the Paying Agent and Bond Registrar, if Trustee is not at such time acting as Paying Agent and Bond Registrar and Tender Agent. Such resignation shall take effect at the later of the expiration of such thirty days, and the appointment of a successor Trustee by Company and Issuer pursuant to Section 10.08 hereof; provided that, no resignation, termination or removal of the Trustee shall be effective until a successor to the Trustee, acceptable to the Issuer and the Company, has been appointed and has accepted such appointment.

Section 10.07. Removal of Trustee. Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to Trustee, to Issuer and to Company and signed by the Registered Owners of a majority in aggregate principal amount of 2000 Series A Bonds then outstanding. So long as no event of default has occurred and is continuing, and no event has occurred and is continuing which, with the giving of notice or passage of time would become an event of default, Trustee may be removed by the Company at any time by an instrument in writing delivered to the Trustee, the Issuer, the Tender Agent, the Remarketing Agent and the Auction Agent by the Company Representative.

Section 10.08. Appointment of Successor Trustee. In case Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case Trustee shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall immediately be appointed by Company and Issuer by an instrument or concurrent instruments in writing signed by a Company Representative and an Issuer Representative; provided that if at the time of such appointment an event of default has occurred and is continuing under the Agreement, such appointment of a successor Trustee shall be made by Issuer. Every such Trustee appointed pursuant to any of the provisions of this Section shall be a trust company or bank in good standing having a reported capital and surplus of not less than \$75,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 10.09. Judicial Appointment of Successor Trustee. In case at any time Trustee shall resign or be removed and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article X prior to the date specified in the notice of resignation or removal as the date when such resignation or removal is to take effect, the Trustee resigning or being removed may forthwith apply at the expense of the Company to a court of competent jurisdiction for the appointment of a successor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article X within two (2) calendar months after a vacancy shall have occurred in the office of Trustee, any Bondholder may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

Section 10.10. Successor Trustee. Except as provided in Section 10.05 hereof, every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its or his predecessor and also to Issuer an instrument in writing accepting such appointment hereunder, and

thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of Issuer, and upon payment of all of its charges hereunder or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its or his successor. Should any instrument in writing from Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article X, shall be filed and/or recorded by the successor Trustee in each recording office where this Indenture shall have been filed and/or recorded.

Section 10.11. Designation and Succession of Bond Registrar and Paying Agent.

(A) Trustee shall be the initial Paying Agent and Bond Registrar for the 2000 Series A Bonds and Issuer may, at any time, appoint additional Bond Registrars and Paying Agents with Company's direction. Any bank or trust company with or into which the Trustee, as Bond Registrar and Paying Agent may be merged or consolidated, or to which all or substantially all of the assets and business of the Bond Registrar and Paying Agent may be sold, shall be deemed the successor of such Bond Registrar and Paying Agent for the purposes of this Indenture. If the position of Bond Registrar and Paying Agent shall become vacant for any reason, Issuer shall, at the direction of the Company, within thirty days thereafter, appoint such bank or trust company as shall be specified by Company and located in the same city as such Bond Registrar and Paying Agent to fill such vacancy; provided, however, that if Issuer shall fail to appoint such Bond Registrar and Paying Agent within said period, Trustee shall make such appointment. Any corporation or national banking association into which any Paying Agent may be merged or converted or with which it may be consolidated, or any corporation or national banking association resulting from any merger, consolidation or conversion to which any Paying Agent shall be a party, or any corporation or national banking association succeeding to all or substantially all of the corporate trust business of any Paying Agent, shall be the successor of the Paying Agent hereunder, if such successor corporation or national banking association is otherwise eligible as a successor Trustee or Bond Registrar under Article X, without the execution or filing of any further act on the part of the parties hereto or the Paying Agent or such successor corporation or national banking association.

(B) Issuer shall require any subsequent paying agent other than the Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree that such subsequent Paying Agent will (1) hold all sums held by it for the payment of the principal or redemption price of, or interest on, 2000 Series A Bonds in trust for the benefit of the Registered Owners of such 2000 Series A Bonds until such sums shall be paid to such Registered Owners or otherwise disposed of as herein provided; (2) give Trustee and the Bond Registrar notice of any default by Issuer or Company in the making of any payment of principal or redemption price or interest on the 2000 Series A Bonds of which such Paying Agent has actual knowledge; and (3) at

any time during the continuance of such default, upon the written request of Trustee and the Bond Registrar, forthwith pay to Trustee all sums so held in trust by such Paying Agent.

Section 10.12. Additional Paying Agents. Issuer may, with the approval of or at the request of, Company (unless an event of default under this Indenture has occurred and is continuing), appoint an additional Paying Agent or Paying Agents for the 2000 Series A Bonds, subject to the conditions set forth in Section 10.13 hereof. The Paying Agent (if other than Trustee) shall designate to Issuer and Trustee its principal office and signify (and Trustee hereby signifies) its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to Issuer and Trustee under which the Paying Agent will agree, particularly:

(a) to hold all sums held by it for the payment of the principal of or interest on 2000 Series A Bonds in trust for the benefit of the Bondholders until such sums shall be paid to such Bondholders or otherwise disposed of as herein provided;

(b) to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by Issuer, Trustee and Company at all reasonable times; and

(c) at any time during the continuance of any default under Section 9.01(a) or (b) hereof, and upon the written request of Trustee, to forthwith pay to Trustee all sums so held in trust by such Paying Agent.

Issuer shall cooperate with Trustee and Company to cause the necessary arrangements to be made and to be thereafter continued whereby funds derived from the sources specified in Section 6.03 hereof will be made available for the payment when due of 2000 Series A Bonds as presented at the principal office of the Paying Agent.

The Paying Agents shall enjoy the same protective provisions in respect of the performance of their duties hereunder as are specified in Section 10.01 hereof with respect to Trustee as such provisions may be applicable.

Section 10.13. Qualifications of Paying Agent; Resignation; Removal. The Paying Agent, if other than Trustee, shall be a corporation duly organized under the laws of the United States of America or any state or territory thereof, having a combined capital stock, surplus and undivided profits of at least \$50,000,000 and authorized by law to perform all the duties imposed upon it by this Indenture. The Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' (if other than the Trustee) notice to Issuer, Company and Trustee. The Paying Agent may be removed (i) at any time by an instrument signed by Trustee filed with the Paying Agent and Issuer and (ii) so long as no event of default under this Indenture shall have occurred and be continuing, at the direction of Company by an instrument, signed by Issuer, filed with the Paying Agent and Trustee. Anything herein to the contrary notwithstanding, a Paying Agent that is also the Tender Agent (i) may not resign unless it also resigns as Tender Agent and such resignation shall be in accordance with Section 11.02 hereof and (ii) may not be removed as a Paying Agent unless it is also removed as Tender Agent.

In the event of the resignation or removal of the Paying Agent, the Paying Agent shall pay over, assign and deliver any moneys held by it in such capacity to its successor or, if there be no successor, to Trustee.

In the event that Issuer shall fail to appoint a Paying Agent hereunder, or in the event that the Paying Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Paying Agent shall be taken under the control of any state or Federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and Issuer shall not have appointed its successor as Paying Agent, Trustee shall ipso facto be deemed to be the Paying Agent for all purposes of this Indenture until the appointment by Issuer of the Paying Agent or successor Paying Agent, as the case may be.

Section 10.14. Appointment of a Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the Commonwealth of Kentucky) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Agreement, and in particular in case of the enforcement of either on default, or in case Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that Trustee appoint an additional individual or institution as a separate or Co-Trustee; and Trustee is hereby authorized to do so. The following provisions of this Section 10.14 are intended to effectuate this purpose.

In the event that Trustee appoints an additional individual or institution as a separate or Co-Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to Trustee with respect thereto shall be exercisable by and vest in such separate or Co-Trustee but only to the extent necessary to enable such separate or Co-Trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or Co-Trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from Issuer be required by the separate Trustee or Co-Trustee so appointed by Trustee for more fully and certainly vesting in and confirming to him or if such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by Issuer. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by Trustee until the appointment of a successor to such separate Trustee or Co-Trustee.

Section 10.15. Successor Trustee as Bond Registrar, Custodian of Bond Fund and Rebate Fund and Paying Agent. In the event of a change in the office of Trustee, the Trustee which has

resigned or been removed shall cease to be Bond Registrar and custodian of the Bond Fund and Rebate Fund and Paying Agent for principal and interest of the 2000 Series A Bonds and the successor Trustee shall become such Bond Registrar, custodian and Paying Agent.

Section 10.16. Service as Trustee, Authenticating Agent, Paying Agent, and Bond Registrar. Notwithstanding any provision hereof to the contrary, in the event and for so long as the same entity shall serve hereunder as Trustee, Authenticating Agent, Paying Agent, Tender Agent and Bond Registrar, any notice required to be given or by, or any act to be taken by, such entity in any one of such capacities may be given to or by, or taken by, such entity in any one of its other capacities, and to permit such entity to act uniformly in any capacity in which it is named. Notwithstanding any provision hereof to the contrary, so long as the same entity acts as Trustee, Authenticating Agent, Paying Agent, Tender Agent and Bond Registrar, such entity need not give any notice to itself in such other capacity.

ARTICLE XII

SUPPLEMENTAL INDENTURES

Section 12.01. Supplemental Indentures Not Requiring Consent of Bondholders. Issuer and Trustee may, without the consent of, or notice to, any of the Bondholders enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon Trustee, as may lawfully be granted, for the benefit of the Bondholders any additional rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or Trustee;
- (c) To subject to this Indenture additional revenues, properties or collateral;
- (d) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as then amended, or any similar federal statute hereafter in effect or to permit the qualification of the 2000 Series A Bonds for sale under the securities laws of any of the States of the United States, and, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute;
- (e) To add to the covenants and agreements of Issuer contained in this Indenture other covenants and agreements thereafter to be observed for the protection of the

Bondholders, or to surrender or limit any right, power or authority herein reserved to or conferred upon Issuer;

(f) To make any modification or change to the Indenture which, in the sole judgment of Trustee, does not adversely affect Trustee or any Registered Owner of the 2000 Series A Bonds;

(g) To make amendments to the provisions hereby relating to federal income tax matters under the Code or other relevant provisions, if, in the opinion of Bond Counsel, those amendments would not adversely affect the exclusion of the interest on the 2000 Series A Bonds outstanding from gross income for federal income tax purposes;

(h) To make any modifications or changes to the Indenture necessary to provide liquidity or credit support for the 2000 Series A Bonds, or any of them (including without limitation any line of credit, letter of credit, guaranty agreement or insurance coverage), including any modifications necessary to upgrade or maintain the then applicable ratings on the 2000 Series A Bonds, or any of them; and

(i) To provide for the conversion of any Outstanding 2000 Series A Bonds to uncertificated format or to provide changes to or for the book-entry system.

Before the Issuer and the Trustee shall enter into any supplemental indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that such supplemental indenture is authorized or permitted by the Indenture and complies with its terms and that upon execution it will be valid and binding upon the parties thereto in accordance with its terms.

Section 12.02. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 12.01 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the holders of a majority in aggregate principal amount of the 2000 Series A Bonds then Outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by Issuer and Trustee of such other indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section or Section 12.01 contained shall permit, or be construed as permitting, without the affirmative consent of the Registered Owners of all 2000 Series A Bonds so affected, (a) an extension of the maturity of the principal of or the interest on any 2000 Series A Bond issued hereunder, or a reduction in the principal amount of any 2000 Series A Bond or the rate of interest or time of redemption or redemption premium thereon, or (b) a privilege or priority of any 2000 Series A Bond or 2000 Series A Bonds over any other 2000 Series A Bond or 2000 Series A Bonds, or (c) a reduction in the aggregate principal amount of the 2000 Series A Bonds required for consent to such supplemental indenture, or (d) the deprivation of the holder of any 2000 Series A Bond then outstanding of the lien created by this Indenture.

If at any time Issuer shall request Trustee to enter into any such supplemental indenture for any of the purposes of this Section, Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed by first class mail to all Bondholders. Such notice shall be prepared by the Company and shall briefly set forth the nature of the proposed supplemental indenture, or shall have attached thereto a copy of such proposed supplemental indenture, and, if not so attached, shall state that copies thereof are on file at the principal corporate trust office of Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be prescribed by Issuer or Company following the mailing of such notice, the holders of a majority in aggregate principal amount of the 2000 Series A Bonds outstanding at the time of the proposed execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no holder of any 2000 Series A Bond shall have any right to object to any of the terms and provisions contained herein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain Trustee or Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be deemed to be modified and amended in accordance therewith.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article shall not become effective unless and until Company shall have consented to the execution and delivery of such supplemental indenture. In this regard, Trustee shall at the expense of the Company, cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to Company at least fifteen days prior to the proposed date of execution and delivery of any such supplemental indenture. Company shall be deemed to have consented to the execution and delivery of any such supplemental indenture if Trustee does not receive a notice of protest or objection thereto signed by or on behalf of Company on or before 4:30 o'clock p.m., local time in the city in which the principal corporate trust office of Trustee is located, on the fifteenth day after the mailing of said notice and a copy of the proposed supplemental indenture.

Before the Issuer and the Trustee shall enter into any supplemental indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that such supplemental indenture is authorized or permitted by the Indenture and complies with its terms and that upon execution it will be valid and binding upon the parties thereto in accordance with its terms.

ARTICLE XIII

AMENDMENT OF AGREEMENT

Section 13.01. Amendments, etc., to Agreement Not Requiring Consent of Bondholders. Issuer and Trustee shall without the consent of or notice to the Bondholders consent to any amendment, change or modification of the Agreement as may be required (i) by the provisions of the Agreement or this Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) in connection with any modification or change necessary to conform the Agreement

with changes and modifications to the Indenture made pursuant to Section 12.01 or (iv) in connection with any other change therein which, in the judgment of Trustee, does not adversely affect Trustee or any holders of the 2000 Series A Bonds; and in making such determination the Trustee may rely upon an opinion of Bond Counsel.

Before Issuer shall enter into, and Trustee shall consent to, any modification, alteration, amendment or supplement to the Agreement pursuant to this Section, there shall be delivered to Issuer and Trustee an opinion of Bond Counsel stating that such modification, alteration, amendment or supplement is authorized or permitted by the Agreement, this Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon Issuer in accordance with its terms and will not adversely affect the exclusion from gross income for Federal income tax purposes of interest on any of the 2000 Series A Bonds; and in making such determination the Trustee may rely upon an opinion of Bond Counsel.

Section 13.02. Amendments, etc., to Agreement Requiring Consent of Bondholders. Except for the amendments, changes or modifications as provided in Section 13.01 hereof, neither Issuer nor Trustee shall consent to any other amendment, change or modification of the Agreement without the giving of notice and the written approval or consent of the holders of not less than a majority in aggregate principal amount of the 2000 Series A Bonds at the time outstanding given and procured as in this Section provided; and in the event any of the matters of the type referred to in Section 12.02(a) through (d) of this Indenture are proposed for amendment with respect to the Agreement, the approval of the holders of 100% in aggregate principal amount of the 2000 Series A Bonds at the time Outstanding shall be required. If at any time Issuer and Company shall request the consent of Trustee to any such proposed amendment, change or modification of the Agreement, Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 12.02 hereof with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification, or shall have attached thereto a copy of such proposed amendment, change or modification and (if not so attached) shall state that copies of the instrument embodying the same are on file with Trustee for inspection by all Bondholders.

Before Issuer shall enter into, and Trustee shall consent to, any modification, alteration, amendment or supplement to the Agreement pursuant to this Section, there shall be delivered to Issuer and Trustee an opinion of Bond Counsel stating that such modification, alteration, amendment or supplement is authorized or permitted by the Agreement, this Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon Issuer in accordance with its terms and will not adversely affect the exclusion from gross income for Federal income tax purposes of interest on any of the 2000 Series A Bonds.

ARTICLE XIV

MISCELLANEOUS

Section 14.01. Consents, etc., of Bondholders. Any consent, request, direction, approval, waiver, objection or other instrument required by this Indenture to be signed and executed by the

Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of 2000 Series A Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of Trustee with regard to any action taken by it under such request or other instrument, namely that the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by an affidavit of any witness to such execution.

Any consent, request, direction, approval, objection, waiver or other action by the holder of any 2000 Series A Bond shall bind every future holder of the same 2000 Series A Bond and the holder of every 2000 Series A Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such 2000 Series A Bond.

In determining whether the holders of the required principal amount of 2000 Series A Bonds have concurred in any consent, request, direction, approval, waiver, objection or similar action, 2000 Series A Bonds owned by Company or Issuer or by any other person directly or indirectly controlling or controlled by or under direct or indirect common control with Company or Issuer shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether Trustee shall be [fully] protected in relying on any such consent, request, direction, approval, waiver, objection or similar action, only 2000 Series A Bonds which [a responsible officer of] Trustee [actually] knows are so owned shall be so disregarded. Also, subject to the foregoing, only 2000 Series A Bonds outstanding at the time shall be considered in any such determination.

Section 14.02. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the 2000 Series A Bonds is intended or shall be construed to give to any person or company other than the parties hereto and the holders of the 2000 Series A Bonds any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the holders of the 2000 Series A Bonds as herein provided.

Section 14.03. Severability.
